A GROWING NEWSPAPER — A GROWING COMMUNITY
Vol. 64, No. 30 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c Thurs., July 26, 1956

WHEN LOCAL HISTORY WAS MADE . . . The City of Campbell acquired a city hall last week when the purchase contract for $36,000 was signed by the Campbell Congregational Church and the City for the church building on Central Ave., occupied by the Congregational Church here since 1889. The church will hold its first services in its new building on West Campbell Ave. this Sunday: Pictured are the signers of the document from left to right, R. L. Rasmussen, (standing) chairman of the church board; Mrs. W. R. Morgan, church board secretary; Mayor John M. Chargin and City Clerk Dorothy Trevethan. Interested spectators in the background are from left, the Rev. C. R. Olds, pastor; Bruce Allen, attorney for the church and City attorney Joseph Bonacina.—Campbell Press photo.

Congregational Church Holds First Worship Service in New Site Sunday

When Campbell Congregational Church holds its first service in their new building on West Campbell Ave. at 10 a.m. next Sunday, the procession leading the congregation into the church will include members of fifty years standing and longer.

Mrs. Dorothy Royce, chairman of the building committee will cut the ribbon across the main aisle and she and her committee will then lead the procession down the main aile. Other committee member who will be in the first group of the procession will be: Mrs. Frank Blair, Mrs. Roy Archibald, Lawrence Schaper, Werner Raab, Don Hartman, Richard Morton, Ted Schenk and Floyd Munson.

Following the oldest members in the procession, will be the youngest children's class, symbolizing the old turning over to the new a more adequate church for the future. They will be followed by other church school classes, together with their teachers. The Choir,, Board of Deacons and the minsters, Dr. Corwin H. Olds and the Rev. Delbert Hollenberg, will complete the procession.

A feature of the worship service will be presentation by the Primary Department of a miniature church in which they have been depositing their birthday pennies for more than three years to be used toward building the new church. Mr. Lippert built the little church for the youngsters.

Although the church is not yet entirely completed, as a few minor features remain unfinished, a large congregation is expected to be in attendance for the occasion.

A refreshment hour for fellowship will be served by the Friendly Circle after the worship service, and the entire building will then be open for inspection.

Formal dedication service of the new church is tentatively set for September 23.

A Dirty Town?

Is Campbell a "dirty little town"?

A columnist in a San Jose evening daily newspaper started out his Monday column this week with: "Mountain View is a dirty little town—like Campbell" . . .

The Campbell City Council officially (and angrily) took exception to this slur on the good name of Campbell, while Milt Nelson, president of the Chamber of Commerce, who was present at the Council meeting publicly vowed that the C. of C. would support the Council in any retalitory measure that could be devised.

What sort of action that could be taken to offset such a derogatory remark was left undecided. But the general feeling was that the statement was merely following the general belittling tactics against this community and its people that have become an established pattern for the two San Jose dailies.

ROTARY HEARS TALK ON HIGHWAY SAFETY

Ed Snow of the California Highway Patrol spoke on automobile safety at the weekly Rotary Club meeting last Monday.

Snow stressed observance of regulations, courtesy and an occasional review of the Motor Vehicles Code to remind drivers of traffic regulations.

He voiced the opinion that if drivers observed the same courtesy while driving as they do in the street, the accident rate would be cut considerably.

A question and answer period followed Snow's talk. Stanley Smith, chairman for the day, introduced the guest speaker.

On The Line in Campbell

Sam Cava, secretary-manager of the Campbell Chamber of Commerce, reported this week that the merchants of the city will be polled to decide on what dates they favor the 65th Annual Old Settlers' Day celebration in 1957. The merchants will be asked whether it should be during the last week in April, the first week in May or the second week. They will also be asked if they favor the traditional parade for a Saturday or a Sunday.

—o—

Airman First Class Harry Hashimoto, son of Mr. and Mrs. Shigeo Hashimoto, 554 E. Hamilton Ave., Campbell, is now stationed at the Mountain Home Air Force Base, Idaho.

—o—

Edwin L. Rollins, son of Mr. and Mrs. Iris H. Rollins, 651 McGlincey Lane, Campbell, has completed recruit training at the Naval Training Center in San Diego, Calif.

—o—

Sgt. Vos Whetley, 1953 Capri Drive, Campbell was among the members of San Jose Squadron No. 80, Civil Air Patrol, who participated in the annual search and rescue operation of the CAP held at Fresno recently.

—o—

A. M. Cook, Sr., has been named by the City Council as assistant Civil Defense Director for Campbell. Mayor John M. Chargin is the director. Cook is captain of the Campbell Police Department Auxiliary.

—o—

Laurance Hill, high school district superintendent, George Kemp, district business manager, and Al Alfson, district curricula coordinator, appeared before the State Allocations Board this week on the request for state funds for the purchase of the site for the fourth high school in the district.

—o—

Dorothy Trevethan, Campbell City Clerk, announced this week that application blanks for the test for the newly created position of stenographer-clerk for the police department can be obtained at her office. The test will be conducted by the city Personnel Director. The position for the time being will be for half-time only.

—o—

Representatives from cities in the southern end of Santa Clara County who favor giving Route 5 equal priority with Bayshore will be heard by the State Highway Commission this morning in San Francisco. The meeting has been arranged by Assemblyman Bruce Allen. The Campbell Chamber of Commerce has submitted a resolution to the Commission urging the completion of Route 5 at the earliest possible time.

Little League Breakfast

Sponsored by the Campbell-Cambrian Little Leagues, the third annual benefit breakfast for the leagues will take place this Sunday, July 29 in the high school cafetorium frmo 8:30 a.m. to 11 a.m.

A sumptious repast of ham, eggs, hot cakes, tomato juice and coffee will be served at one dollar for adults and 50 cents for those under 12.

Funds derived from the breakfast go toward improvement of the fields and the purchasing of needed equipment. Last year $500 was raised at the breakfast. A baseball game between fathers and sons will take place at noon at Little League field at the Rosemary School.

"Monkey-Shines" Take Place Here Wednesday

If you heard that there were some real "monkey-shines" going on in Campbell Wednesday morning, you heard correctly.

"Skinny" was the cause of it all. You see, "Skinny", a white-faced ring-tail monkey, just decided to go out on the town for a couple of hours Wednesday morning. In doing so he created quite a stir.

Having a monkey visit you in your backyard is perfectly all right, provided, of course, you are prepared for the visit. Bue Mrs. P. B. Payne, 80 S. 4th St., was totally unprepared for "Skinny's" unannounced appearance Wednesday, so she was considerably startled when she spied a monkey swinging from her clothes line and onto the limbs of various apricot trees in her backyard.

"Skinny" (at the time Mrs. Payne didn't know his name so she was at a disadvantage on that score, too) showed his displeasure when she attempted to grab him by the tail, Mr. Monk gave her a nip on the fingers for her pains. Then he was off again to the tall timber (apricot trees).

He kept his distance from then on out. Even Roy Barghini, of the County Health Department (dog pound division) who had been called upon, couldn't get close enough to the monkey to lure him into any of the traps that have been used successfully for cats and dogs. He was as smart as a monkey in that regard.

"Skinny" was finally cornered on 2nd St. and placed in a separate compartment of the dog pound's "black maria". The little guy had wound up a busy two hours by that time and was probably ready to go for a ride.

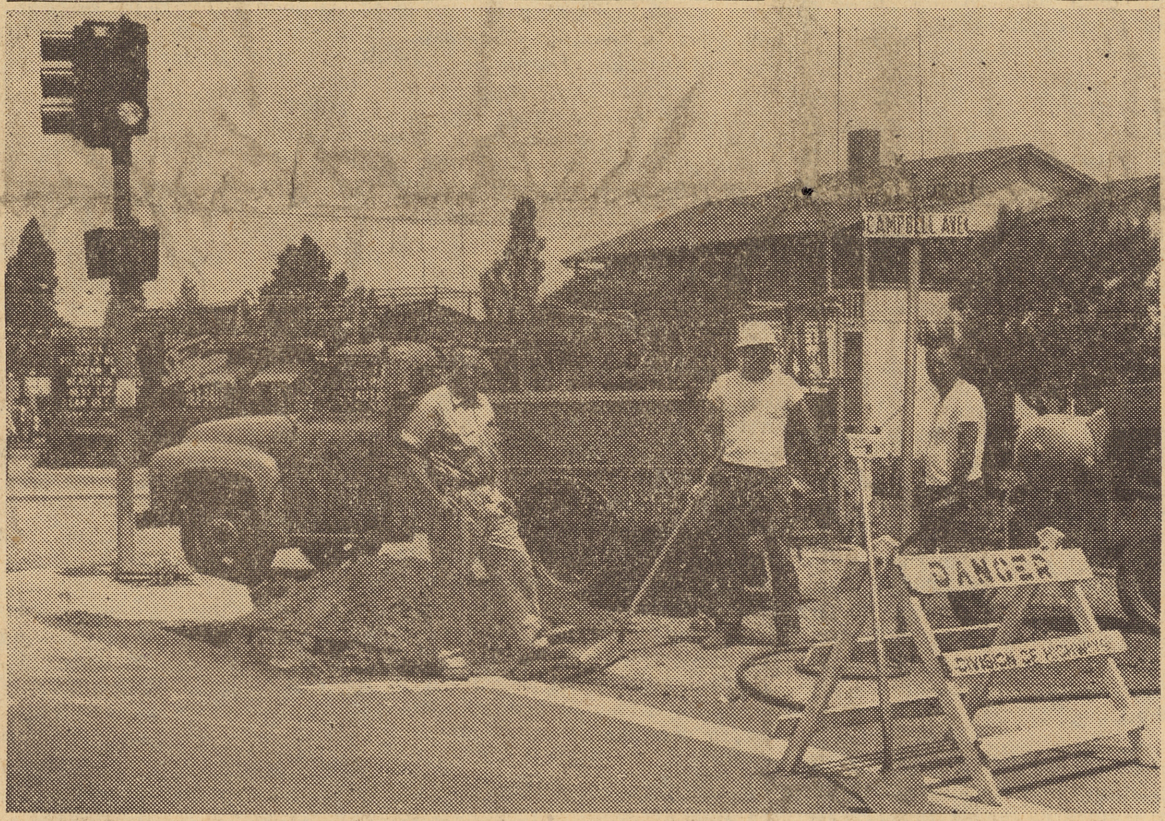
He was claimed at the Campbell Police Department by Fred Schraub, 86 Carlyn Ave., who had owned the little fellow for two years. Just recently he had sold him to the Millard Somner family in San Jose, but the Schraubs had volunteered to "monkey-sit" for the new owners while they were on a vacation.

Schraub had notified The Campbell Press that "Skinny" was lost even while the "monkey-shines" were going on the The Press was happy to tell him that the monkey had been found—And how.

"Skinny" had been a Campbell resident for some two years and Schraub recalls that the only time he caused a disturbance was when he showed up (and subsequently broke up) a Campbell High School football rally in the fall of 1954.

"Skinny" is now back in his San Jose home. One of the reasons Schraub felt that "Skinny" left 86 Carlyn in Campbell was because he was getting into fights with their 70-pound Boxer dog. Apparently he had found the weight advantage too much for him, "Skinny" weighs four pounds.

"Professional Investment Management" will be the subject of discussion at Monday's Rotary meet, when Fritz Coltrin, investments, will be guest speaker.



CALLING THE RIGHT SIGNAL THIS TIME True to their word the Division of Highways moved in this week to rectify a situation at San Jose-Los Gatos Road and Campbell Ave. that has existed since the installation of the traffic signal system at that intersection. Campbell Ave. on the east side of S.J.-L.G. Road was blocked. This week the Division of Highways began installing an additional signal and will also move the pedestrian lane which will "unblock" the forgotten street. Pictured are three highway maintenance men as they started the project. On the left is A. C. McNall, traffic signal technician and foreman of the job, John Ford is in the center and Dino Mantoani, is on the right.—Campbell Press photo.

BUDGET BOOSTS DENIED . . . The City Council (backs to camera) listen while John Thorne, attorney for the newly organized union of city employees, makes a last-minute plea for a budget revision to allow for raises for the employees. Back-viewed around the table left to right are, Dorothy Trevethan, city clerk; Mayor John M. Chargin, Councilmen Jim Arends, Richard Morton, Charles Rose and Myron Fairchild.—Campbell Press photo.

Council Adopts Record Budget of $383,156 for Fiscal Year 1956-57

Battle-scarred from many pre-preliminary bouts it had participated in during the past few months, Campbell's 1956-57 city budget of $383,156.23 came out of its main event Monday night virtually unscathed. But not before it had been subjected to a lengthy verbal barrage.

The City Council passed by an unanimous vote the record-breaking budget which will probably necessitate a 12-cent hike in property taxes

The motion was made by Councilman Jim Arends and seconded by Councilman Charles Rose. No changes were made in the budget after it was officially presented by Mayor John M. Chargin.

But an hour-and-half elapsed from the time the motion was first made until the roll call was taken.

This interlude was taken up by John Thorne, a San Jose attorney, who represented the newly organized city employees. He argued that pay hikes for the employees be included in the budget.

Organize Friday

The city employees last Friday organized a local union which is affiliated with the City, County and State Employees International Union, AFL-CIO. William Morgan, city firemen, was named president and Richard Mayne, police officer, secretary. All 10 of the city employees, (four police, three firemen, one public works worker and two secretaries) are members. No department heads are affiliated with the new union which is also a member of the Santa Clara County Labor Council.

Thorne told the Council that the requests of the union members were simple ones and were geared to the rising cost of living. It was felt, he said, that the employees were not getting "living wages".

Requests Made Clear

Among the requests listed by the attorney were (1) raise in pay for police and the creation of the position of investigator; (2) raise in pay for firemen and to classify the present firemen as engineers (3) establishment of the classification of foreman of the now three-man including the superintendent) department of public works; (4) raise of pay for the deputy city clerk; (5) $50 per year uniform allowance; (6) establishment of an overtime-pay basis and 1 1/4 day sick leave per month for all employees.

Thorne said that it was felt that the union would benefit both the employees and the city. He said it would allow for the discussion of problems on a group rather than on an individual basis.

Councilmen Answer

Mayor Chargin and Councilman Richard Morton explained that no time existed for revision of the budget to include the pay boosts requested. They said the Council had considered all aspects of the situation during the many months of budget discussions. Councilman Myron Fairchild also told Thorne that the department heads had asked for similar pay increases for their personnel and the Council had thoroughly gone into the matter. Councilman Rose pointed out that Campbell was a new city and that it was impossible to do everything that was desired in a short period of time. He cited the necessity for street improvements and other needs which had to be taken care of with just so much money available.

Thorne, however, was given permission to meet with Robert Thompson, city Personnel Director, who is now in the process of drawing up new job classifications and pay scales for all personnel.

The budget as adopted by the City Council is 30 per cent higher than last year's $266,819.46 figure. Mayor Chargin in his message said that Campbell's assessed valuation was expected to be $7,374,,735 but until is was definitely set the tax rate could not be established.

The requests made by Thorne for the employees were estimated to be approximately $3000 which, the councilmen pointed out, would cause the tav rate to be raised another 5 cents and bring the rate dangerously close to the legal limit. The 86 cent tax rate would raise $62,833.33 in revenue.

Other Revenue

Other revenue sources in 1956-57 would include the new 1-cent sales tax, $34,000; fines and forfeitures,

(Continued on Page 2)

Mayor Explains City's Objectives for Year

Your City Council presents herewith the proposed budget of expenditures for the City of Campbell for the present 1956-1957 fiscal year. This budget is the result of numerous meetings with department heads and many long hours of study devoted to the solution of the age-old problem of "making ends meet"—matching available funds to our present and long-range municipal needs.

The total expenditures contemplated in this budget amount to $383,186.23, which is an increase over last year's total budget of $116,336.95, and a concrete indication of our continued growth as a city. Of the total amount to be expended, it is significant to note that only $63,833.33 will have to be raised by the general property tax.

Increase of $9028.40

This in turn is an increase of only $9028.40 over the amount raised by the general property tax for our last fiscal year. The one cent sales tax which we will put into effect beginning October 1st, 1956 will provide an additional revenue of approximately $34,000.00 for the nine remaining months of the fiscal year thus enabling us to hold the line against any large increase in the general property tax, and still obtain needed capital improvements.

You will recall that the previous councils incorporated into their annual budgets certain definite sums to be set aside as reserves for capital improvements which would have to be made as the city continued to grow. Common sense and sound municipal financing dictate that adequate reserves be provided for and we have continued this policy.

In this budget year, we will utilize $26,000.00 of our reserves for present capital improvements to which we are already committed, and still have on hand at the end of the fiscal year a balance in our unexpended reserve accounts of $35,000.00 for application to future needs.

Subtracting from the total expenditures of $383,156.23 the revenue to be realized from the sales tax, general property tax and utilization of reserves, as aforesaid, you will note that the great bulk of the remaining revenue in the sum of $259,322.90 will come from other sources including state subventions and grants and other municipal revenue producing activities. It can thus be seen that more than 65% of the city's anticipated revenues would not otherwise be available for expenditure on behalf of the people of Campbell were we not incorporated as a City.

$7 Million Valuation

We have estimated that the assessed valuation for the City of Campbell in the fiscal year upon which we are embarked will be approximately $7,374,735.00 dollars. If our estimate proves correct, and we will not know this until it is actually determined by the County Assessor some few weeks from now, the general property tax rate necessary to produce the required income of $63,833.33 will be approximately .86. Such a tax rate would still be well within the limitation imposed by law of $1.00 per $100 assessed valuation.

Knowing then that the city anticipates total revenues in the amount of $383,156,26 you might well ask the question—"How will the City Council, our elected representatives, spend this money.

Upon examining the proposed expenditures in answer to this question, it should be noted that substantially more than one third of the total revenue amounting to approximately $164,000 will be used to complete the Hamilton avenue widening and storm drainage project from Winchester road to Central avenue, and to acquire, remodel and equip the Congregational Church Building for use as a City Hall. Any one familiar with the internal working of the City will unhesitatingly agree that these two projects must be rushed to completion and accordingly your council has given them top priority in allocating from available resources the largest single amounts to these projects.

For the first time since our incorporation as a city, it has now become possible in the last few weeks to cross one of our busiest intersections at Campbell avenue and San Jose-Los Gatos Road without interminable waiting and with a high degree of safety that only traffic signal lights can insure. The city's share of the installation cost of these lights is $5100 and this amount will also be paid from the present budget.

Winchester Resurfacing

While still in the domain of public-works improvements, we have allocated the sum of $15,000 for purposes of resurfacing Winchester road—a project made necessary by the heavy traffic which utilizes this thoroughfare and the pitting

Mayor's Message

(Continued from Page 1)

and rutting caused by the December floods.

Personnel wise, this year's budget makes provision for several important additions. We are adding one new position of full time patrolman as recommended by the Personnel Board, to the police department making for a total of six full time employees including the chief. Heretofore, the deputy city clerk has performed much of the secretarial work and record-keeping for the police department in addition to her other duties with the planning commission.

The growth of the various departments required by the increase in work-load has made it necessary and feasible to hire an additional half-time secretary who can take over the police department paper work, record-keeping and matron duties and thus allow the deputy city-clerk to devote full time to the duties of that office in conjunction with her planning commission duties. The department of Public works has also been given an additional half-time employee so that under the present budget, the Public works superintendent will have two full time employees to help meet the constantly increasing work-load.

Department Heads Up

Raises commensurate with length of service to the city and the responsibilities of the office have been granted to all of our full-time department heads. The budget must also provide for the automatic pay increases allowed by the various pay-scale brackets in each department based upon length of service to the city. In this connection it should be noted that the city's personnel department which is the newest in point of length of service is also the least expensive budget-wise, requiring only the sum of $100.00 for this year's operation.

This department under the Personnel Director Robert Thompson has given inestimable aid to the administration on a gratuitous basis, and both the employees and the citizens of Campbell are indeed indebted to him. Modern employment and promotion procedures and standards have been recently established and this department is presently studying the city's salary schedules so that same may be revised if necessary to bring them into line with other cities of a comparable size in the event that adequate funds become available in the future to provide for desirable increases.

As you know, Campbell has had its own building inspection department since October 1st., 1955, but this year's budget is of course the first in which an entire year's revenue and expenditures are provided for. Though not primarily a revenue producing department, it is anticipated that the fees collected for building inspections will almost allow this department to pay for itself.

The fire department will continue to operate at its present strength of three full time employees and a part time chief. The last payment upon the 100 gallon pumper truck will be made this year, new fire hydrants throughout the city will be added, older facilities replaced and a new type self-contained breathing apparatus plus a generator for mobile lighting equipment are all examples of the type of expenditures needed and provided for in this budget to help promote and maintain the efficiency of this department.

Fire Department Reserve

With our budgetary system of accounting for reserves, the Fire department alone will have available at the end of the fiscal year the sum of $10,500.00. This sum can be used to provide for replacement of present equipment when needed and to help defray the cost of constructing a new firehouse, presumably on the West side of the city. The new firehouse project is presently under study by the council and planning commission and will doubtless become a reality in next year's budget, if not before.

Planners' Budget Up

The planning commission's budget has been increased $500.00 over last year to allow for a continuation of Master Plan Studies. As annexations to the city extend its boundaries and increase its area, new zoning studies must be undertaken and the present zoning plan periodically re-examined and brought up to date with changing conditions. In this connection, it would not be amiss to extend the thanks and appreciation of a grateful citizenry to the members of the Planning Commission who serve unselfishly and diligently and without compensation for the betterment of the City of Campbell. Without their help, our task on the Council would be arduous in the extreme.

Through the legislative department, the City of Campbell will again this year extend financial help to the Campbell Chamber of Commerce. We have budgeted the largest sum since the City's incorporation in the amount of $1250.00 to be used by the Chamber in the preparation of an advertising brochure for distribution outside the City to interested Industries and commercial establishments. It is our hope that such activity on the part of the Chamber of Commerce will attract other

GALLEY TEN—

taxpaying organizations and ultimately decrease the burden on the individual resident taxpayer.

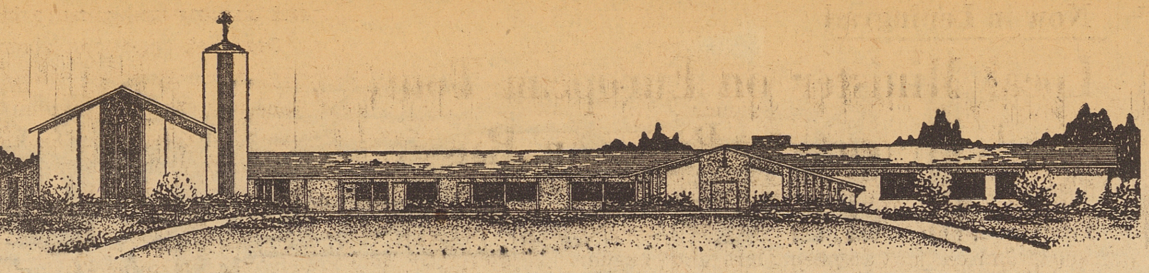
Other smaller expenditures will be made in almost every department encompassing a variety of items from an additional radio for our police motorcycle, to a gasoline pump for the public works department.

Auxiliary Police

In recognizing the loyalty, faithful service and long hours expended by the City's unpaid auxiliary policemen and volunteer firemen, the Council has in this budget continued the practice of making a substantial contribution to the auxiliary police and volunteer firemen. These groups meet regularly without compensation and engage in training activities that better enable them to serve the people of Campbell . . . We are also continuing the premium payments for health and accident insurance for all our city employees in the amount of $750.00, in addition to setting aside reserves for retirement benefits in the amount of approximately $17,000.00 which the city would be required to pay as its share to the state retirement system should the same be put into effect at the request of the employees.

The City of Campbell wishes to thank all of its citizens for the assistance and encouragement you have given us during the past fiscal year, and we invite your assistance and interest in these things that concern all of us in the coming fiscal year.

JOHN M. CHARGIN,
Mayor



FIRST WORSHIP SERVICE SUNDAY . . Architect's drawing shows new Congregational Church building recently completed, where worship services will be held for the first time this Sunday morning at 10 a.m. Members of fifty years standing and longer will be among the leaders of the procession down the aisle before worship service begins.

More About
City Adopts

(Continued from Page 1)

$18,000; business licenses, $12,000; sewer rentals, $13,407.42; gas tax funds, $22,423.95; state funds (Chapter 20), $50,200; reserve transfers for capital outlay, $26,000, and general reserve, $99,317.25.

Proposed expenditure increases generally reflect the City's growth, with $121,378 tagged for public works projects. These mainly are the widening and paving of Hamilton avenue and purchase of an old church for a city hall.

Hiring of another full-time patrolman, a part-time police matron and a part-time Police Clerk will jump pay-roll expenditures.

Chargin pointed out the budget allocates $1,250 for the Chamber of Commerce, the largest contribution in the City's four-year history, for use in advertising Campbell as an industrial and residential community.

Departmental expenses vary little from last year except police, which is up about $8,000; building inspection, up about $7,000, and legislative, down about $7,000.

Planning Group Changes Zoning On S.J.-L.G. Road

Campbell City Planners approved the rezoning of the west side of San Jose-Los Gatos Road from the northerly city limits to a point near Ridgeley Drive at their meeting last Thursday night.

The long awaited action would rezone the area from light manufacturing to commercial and it now goes to the City Council for the final decision. The change was a result of a move by residents of the area to get the entire area rezoned. A study was made by the Planning Commission prior to the action Thursday with the recommendation that only part of the area be changed.

Planners also approved five minor changes in the city's zoning ordinance Thursday night. In most cases they merely change wording and clarify meanings . A few policy decisions and rulings made in the form of resolutions are incorporated into the ordinance by the changes.

Public hearings on two proposed zoning changes were set for August 16. They include the application of Serafina Chinazzo for a change from residential to commercial on the southeast corner of Winchester road and Kennedy road and that of Mr. and Mrs. Bert L. Burda for a change from residential to commercial at 50 Mission Way.

A tentative subdivision map of the J. M. Dahl property off Latimer avenue had been on the agenda, but it was postponed until the August 2 meeting to enable the subdividers to incorporate changes recommended by Planning Consultant Nestor Barrett.

Lee Bros. to Give Bar-B-Q August 4

Lee Bros. Inc., at Winchester and Latimer in the Campbell shopping center, is inviting all residents of the Campbell area to its gigantic western barbecue celebration on Saturday, August 4 from noon until 2 p.m.

According to Eddie Wright, local manager, this will be one of the most outstanding events of its kind ever held in Campbell. A complete barbecue (all for free) including spareribs, beans, coffee, salad, Coke, pickles, ice cream, French rolls and all the trimmings, will be served.

From 9 a.m. to 3 p.m. Bobo, the dancing clown, will be on hand to entertain the children and present also to top the children's fun will be Del Rey, Bill Lee's famous horse.

Emily McConnell Heads Merchants

Mrs. Emily McConnell, of Rachel's dress shop, was elected chairman of the newly organized Merchants Committee of the Campbell Chamber of Commerce at its meeting last Thursday night when plans for Campbell Dollar Days, August 16-17-18 were outlined.

The Board of Directors of the Chamber of Commerce had previously voted to sponsor the big bargain event. The Merchants group will also poll its members as to whether the local stores will stay open on Friday night, August 17.

Local merchants will also be asked by poll to decide whether Campbell should have a booth at the Santa Clara County Fair and their opinion as to the location for a new Campbell post office.

The committee went on record opposed to unauthorized solicitation for advertising and donations in the area.

Ethel Gardner, 66, Claimed by Death

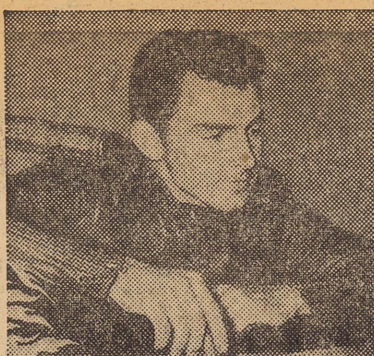
Funeral rites were conducted at 1 p.m. yesterday for Mrs. Ethel L. Gardner, 66, who passed away suddenly at her home, 199 Harrison St. in Campbell last Sunday.

Mrs. Gardner, a resident of Campbell for 46 years, was born in Siskiyou.

She leaves her husband, Valentine, also four children, Harold E. of San Jose, Frank of San Leandro, James of Santa Clara, and Mrs. Bernice F. Grimmof of Oklahoma. She also leaves seven grandchildren. Mrs. Gardner was the sister of Mark E. Musgrave of LaMesa, and Frank Musgrave of Oregon.

The Rev. T. H. Simpson of Stone Church of Willow Glen conducted the rites at Campbell Memorial Chapel. Pall bearers were: Parker L. Hathaway, Robert E. Heilmann, Arlington Langley, Richard R. Kellogg, Robert E. Gardner and Denver Miranda. Honorary pallbearers were: Joaquin Miranda, Joe Meckler, Jess Winbigler, Dan Sullivan, Julius Bachman, Greg Rice, Bruce Whitmore, Ross Nielson, Hans Neilson, Walter Dahms, and Milton and Clarence Nelson.

Interment was at Oak Hill Memorial Park.



TRACK CHAMPION . . . Joe Leonard, of San Jose, a leading entry in the Western Quarter-mile Motorcycle Championships at Belmont Speedway this Friday night. Leonard was track champion at Belmont as a rookie in 1951 and repeated again in 1952 and in 1954. In the latter year he won eight national title events and was the number one ranking motorcycle racer in the country. He is Belmont's second ranked rider this year.

COMING EVENTS

CHURCH NEWS

Seventh-Day Adventist Church

Daily vacation Bible School for youngsters between the ages of 4 and 14 will begin Monday and continue for two weeks, through August 10, from 9 a.m. to 12 each day at the church on Fourth St. and Rincon. Among activities offered are stories, games and singing, also an hour of crafts each morning. On the evening of August 9 at 7:30, all youngsters in the classes will present a program for parents. Mrs. C. Hildebrand is leader. For further information and reservations, call FRanklin 8-5161 or FRanklin 8-8810.

—o—

Free Will Baptist Church

Sunday morning services will be held at 11 a.m. and Sunday School at 9:45 a.m. Evangelist service will take place at 7:30 p.m. The Rev. George McLain is pastor of the church. Services are held in the old Methodist Church on First St. and Campbell Ave.

—o—

Christian Science Society

The value and importance of right motives in daily living will be emphasized at Christian Science services Sunday.

—o—

Congregational Church

Those who have been members of Campbell's Congregational Church for fifty years or longer, will lead the procession into the new church next Sunday, preceding the first service to be held in the new building at 300 West Campbell Ave. Dr. Corwin Olds will deliver the sermon and the choir will sing appropriate music for the occasion.

Dedication of the new building will be held at a later date.

—o—

The Christian Adventure Fellowship, seventh and eighth graders, will hold their weekly meeting at the home of Mr. and Mrs. James Barnett on Quito Road at 7 p.m. Bob Bergthold will be the leader.

The Adult Study Group will meet next Wednesday evening at 8:15 in the Pastor's study. Etta Peoples will be discussion leader.

—o—

First Methodist Church

Dr. C. B. Sylvester, who has preached in churches throughout California, will be guest speaker at 9:30 and 11 a.m. services for the next six Sundays. Mrs. Jerry O'Connell will be in charge of special music for the services. Laymen assisting in the service next Sunday will be Don Boughn at 9:30 and George Kemp at 11.

Methodist Youth Fellowship will leave the church at 12:30 Sunday to participate in a sub-district rally at New Brighton beach. The Rev. Robert Hawthorne, associate minister at the First Methodist Church of Palo Alto, will be the speaker.

Prince of Peace

"Two Kinds of Children" will be Pastor Werner P. Welchert's sermon topic at the 10:30 a.m. worship service next Sunday.

During the Sunday School service, children's message will be on "A Job and Sunday School".

The Church Council will meet next Thursday at 8 p. m. in the home of Fred Montman, 13211 Heath.

—o—

Westhope United Presbyterian Church.

Rev. Donald W. Jolly will deliver a sermon on "Ask, Seek, Knock" at next Sunday morning services.

His evening sermon topic at 8 will be "The Family Altar".

Miss Dale Herschbach will be the leader for the Young People's hour. College age and junior high groups will also meet at that time.

The men's prayer group will meet at the church Tuesday at 7 p.m.

The annual all-church swimming party will be held tomorrow from 7:30 to 9:30 p.m. at the Campbell High School pool. All friends and members of the church are cordially invited. Cost per person will be 40 cents. Ladies are asked to wear bathing caps.

—o—

CLUB NEWS

St. Lucy's Women's Club

Plans are being completed for a card party to be held at the Parish School next Tuesday at 2 p.m. when prizes will be awarded and refreshments served. The general public is invited to attend the affair. Mrs. John Triguero is general chairman of the card party, assisted by Mmes. Manuel Silva, John Serpa, Joseph Souto and Will Levin.

—o—

Past Noble Grands

Mrs. Lillian Ohlen will be hostess when Past Noble Grands meet for their annual installation. Mrs. Herman Rice, outgoing president, will turn the gavel over to Mrs. Monte Esabrook, who takes over that office for the coming year. Mrs. Joe Meckler will be installed as vice president; Mrs. Jack Chappell, secretary; and Mrs. Ralph Gardner, treasurer.

—o—

Campbell Garden Club

Perennials will be the subject discussed at next Wednesday's meeting which will be held in the patio of Mrs. Monica Parr's home at 453 East Casey Road.

—o—

Women's Society for Christian Service

The WSCS from Campbell's First Methodist Church will meet for a potluck luncheon at the home of Mrs. Matt Helmbold on South Union Ave. tomorrow at 12:30.

Now in Leningrad

Local Minister on European Tour Sends Report to Press on Russia

(Editor's Note: The Rev. Herbert Neale, pastor of the First Methodist Church in Campbell, left on June 23 on the "Studytour" of Europe which includes 28 days behind the Iron Curtain. The following report to The Press is the first written from behind the Iron Curtain.)

By Rev. Herbert Neale
Pastor, First Methodist Church
Campbell

Now that I have been in Russia (Leningrad) three days, I'm beginning to get a bit more perspective on our experience. To say that the people are curious about us and friendly is quite an understatement. Wherever we go if we pause at all, a large crowd will gather about us, just looking. Some speak English, as it is taught on the Secondary and University levels. So there are frequent questions from the mobs. Three of our group speak excellent Russian, so communication has not been much of a problem. In one crowd I numbered over one hundred and fifty persons pressing from three sides and pushing us against a building.

They ask questions about salaries, working hours, prices, Paul Robeson, Charlie Chaplin, American cars, the coming election, etc. Last night someone in the crowd presented me with a large bouquet of flowers. There seems to be no antipathy against Americans, despite Pravda propaganda. The Negro in our group is a special object of interest. No doubt his very presence with us, on equal footing, answers some of their questions. By the way, there are no restrictions on the use of our cameras except in certain museums, and that was the same in England, Sweden, Denmark and Finland. Another mark of courtesy to our Studytour is that our luggage was not examined at Customs, either.

In Leningrad

Leningrad was once the capital of Russia, during Czarist days, and the birthplace of the Revolution, so there are many places of special interest. The first night we were here we saw the famous Russian Ballet of Leningrad. We now understand why Russian ballet is so highly regarded throughout the world. The seats cost fourteen rubles, or $3.50 each, but the experience was worth every penny. It was three hours long. We were quite the center of attention. Opera glasses from all over the auditorium were trained on us during the two intermissions. The ushers were all old women, very courteous and they gave us better seats than we had purchased, when two people did not show up. The theatre had been converted from an old, magnificent palace of Czarist days.

Big But Drab

Most of the buildings are huge, many run down and very drab. The clothing of the people is drab too, and very plain. Our party wore the only white shirts I saw in the whole theatre.

Yesterday we visited their new Metro (subway). It is fabulous. Each station is decorated in marble, cut glass, etc. around some special theme — clean, airy and beautiful. Today we shall visit a collective farm, a large factory, and a Baptist church. Moscow will be our next stopping point.

Seven major Market Week showings are held annually in San Francisco.

Lapidarist Talks At Lions Meet

Raymond Addison spoke on lapidary as a hobby when Campbell Lions Club met last Tuesday evening and exhibited some precious and semi-precious stones collected in various section of the state.

Addison, who is past president of San Jose Lapidary Society, also exhibited some of his hand carved cameos, which are reportedly unusually lifelike, due to the unique technique he uses in carving. He uses an engraving technique in carving the cameos and is reported to be the only one in the United States who uses this painstaking and time consuming process.

Although he only does his cameo-engraving as a hobby, Addison recently acquired a 64 and one half carat amethyst, with an appraised value of 60 dollars from a lapidarist in Texas, who traded the stone with Addison for one of his cameos.

Addison extended an invitation to Lions Club members, as well as the general public, to attend meeting of the San Jose Lapidary Society which are held at Moorpark School on the first Tuesday of each month at 7 p.m.

During the meeting, an announcement was made that the barbecue which club members attended at Chateau Boussey last Saturday evening, was highly successful with an attendance of about 56 members and their wives. The Lionettes, distaff side of the Lions Club, were hostesses for the affair.

A California Highway Patrol representative will be guest speaker at the next meeting which will be held on August 14. Verle Grizzle, program chairman, announced that the tentative subject of his talk will be on what to do to make driving safer.

Alviso Speedway To Stage Benefit

First annual "Johnny Key Classic", a benefit race to create a trust fund for the two children of one of California's greatest race drivers, will be held Saturday night, August 4, at Alviso Speedway.

Patsy and John Jr., children of the popular Salinas race car pilot who was killed three years ago in a midget crash on a Cincinnati track, will present the trophy for the winner of the 100 lap classic.

Owen Key, brother of Johnny, will be referee for the race, serving on the staff of Western Auto Racing Inc, operator of Alviso Speedway.

Twenty per cent of gross proceeds from the race event will go into a trust fund for the Johnny Key children, the trust fund to be established in a San Jose bank to help further the education of the youngsters.

It will be the first 100 lap event at Alviso since the track was built a year ago. Many former champions of various tracks in Northern California will compete in the classic, which is the main event of the regular 10-race program for the evening.

Local Swim Teams Compete in A.A.U. Meet in Livermore

Len Scroggins, Campbell area recreation district swim coach, will enter Campbell youngsters in the annual Amateur Athletic Union swim meet to be held at the Livermore High School pool, starting tomorrow morning and continuing through Sunday.

Campbell youngters will compete with swimmers from other western states and Hawaii. Last year the group from Campbell broke thirteen national records and 26 Pacific Association records.

Competitive swimming will begin at 9:30 each morning during the three day meet and tomorrow night will be novice night, when youngsters who have never won swimming medals, will compete.

Mike and Mitch Ivey, twins, and Kim Scroggins, will compete in the group of youngsters eight years old and under. In the ten years of age and under group, Doug Guilbert, Ron Shirley, Jacqui Gault, Robin Perry, and Jane Morton will take part. Carol Guio, Jean Gault, Marilyn Means, Phyllis Maxfield, Wendy Reagan, Ken Untiedt, Jane Nolte, and Betsy Lassie will be in the age 11 to 12 group. Jack Guio, Bill Campbell, Jerry Hyde, Dean Faulkner, Jim Davenport, Lane Hecker and Roz Skold are in the 13 to 14-year old group. And competitors in the oldest group, 15 and 16 year olds, Mike Scroggins, Dave Andre, Jim Graham, Jim Mitchell, John Davenport and Steve Skold will compete.

Len Scroggins also announced that 60 youngsters from Campbell will compete in the A. A. U. all-western championship meet at Fleishhacker Pool in San Francisco August 23 to 26, and on September 1 and 2 an A. A. U. meet will be held at the Campbell High School Pool.

The swim meet is jointly sponsored by Campbell Kiwanis Club and Campbell Union High School Recreation district.

The highest point in Arizona is Humphreys Peak, 12,611 feet.

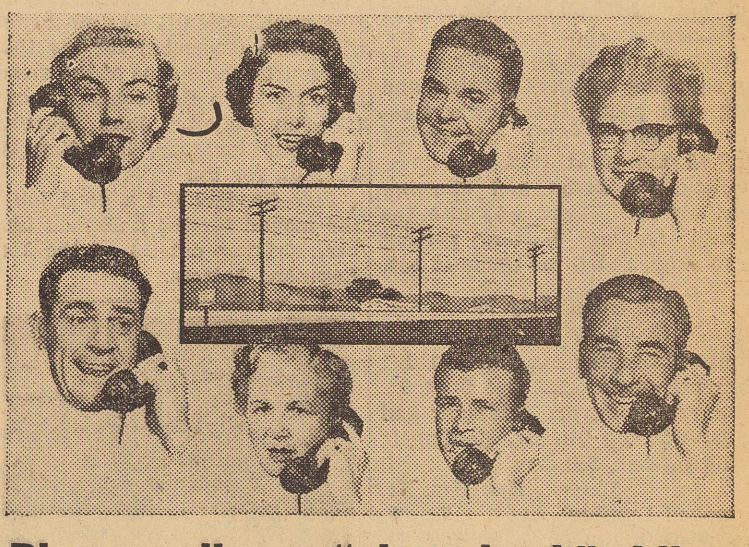
WHAT'S DOING

T. K. Nordheim, your Telephone Manager in Campbell

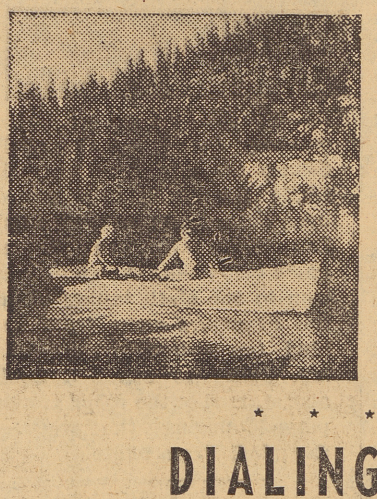


Phone calls go "piggy-back" riding

Pretty soon now, many local telephone calls are going to start riding "piggy-back." They'll go one on top the other, as many as four separate calls at the same time on the same telephone line. This means one line will do the work of four. And, of course, that means more and better service to more people. For many years, "piggy-back" systems have been speeding your long distance calls. Now we've discovered how to use the same kind of equipment for local calls. This is an example of how telephone people work to develop new and better equipment. The men and women of Pacific Telephone work to make your telephone more useful every day.

* * * * *

Don't miss the fun . . .
Telephone ahead for reservations!

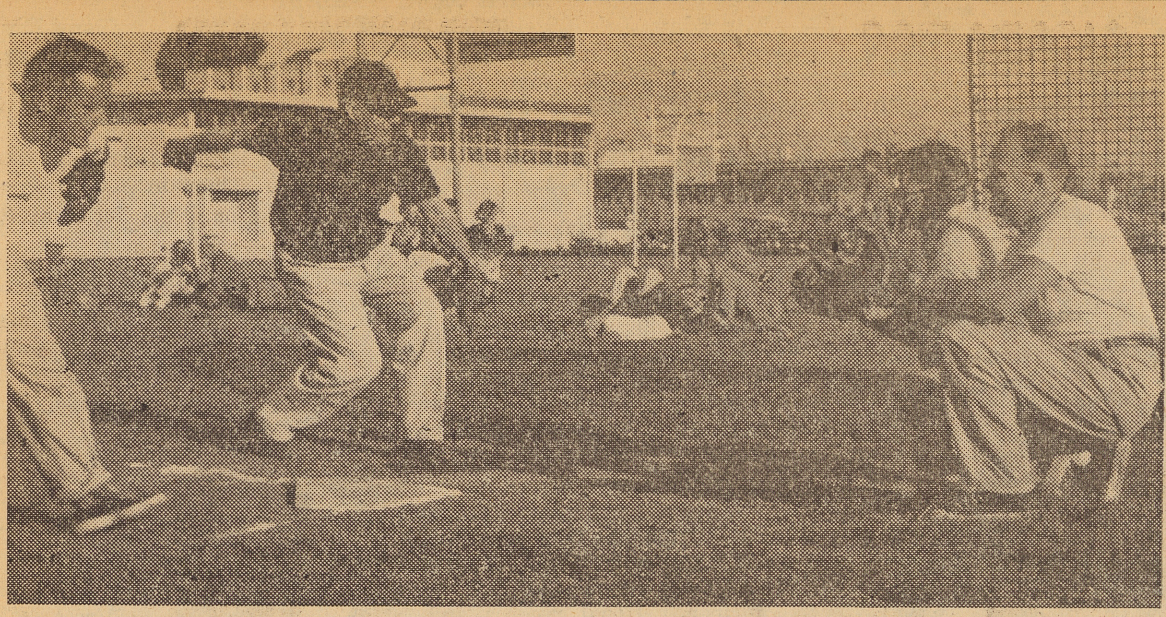


Planning a spur of the moment weekend trip? Maybe with an eye on that cabin by the lake? You'll want to make sure you have just the right accommodations: the cabin you want, your favorite boat, the works. And the best way to do that is to phone ahead for reservations. You're sure of a confirmation, right on the spot. It costs so little and gives you so much peace of mind. Makes your whole trip more fun.

* * * * *

DIALING CHANGE

If your telephone number begins with ESsex 7 or FRanklin 8, the Telephone Company wants to issue this reminder, "It is no longer necessary to dial 2 before calling any number in your local calling area." Dialing that extra digit has been necessary in the past, but changes in the dialing telephone equipment, plus the opening of a new building on Foxworthy Road, has made this possible.



BATTERIES WARMING UP . . . Coming into the picture on the left is Howard Atkinson, Kiwanis pitcher, while Clarence Nelson prepares to catch his offering. That's Cel Gerevas, Rotary hurler, ready to throw a fast one to his catcher Doc Arends (with mask).—Campbell Press photo.

Rotary Wins Classic From Kiwanis

By Marvin Moore

Press Sports Staff Writer

In a very exciting thrill packed ball game the Campbell Rotary took the Campbell Kiwanis 4 to 2.

The Rotary attack was made by Merv Willoughby who hit two home runs and drove in all four runs.

The Kiwanis started off with two runs in the first inning, Rotary got two in the fourth to tie it up. It went that way until Rotary exploded in the last half of the seventh inning.

Score by Innings

	1	2	3	4	5	6	7
Kiwanis	2	0	0	0	0	0	0
Rotary	0	0	0	2	0	0	2

	Rns.	Hts.	Er.
Kiwanis	2	5	1
Rotary	4	6	2

Those Who Played

Batteries:

ROTARY: Cel Gerevas, Neal Royer and Doc Arends, Homer Hyde.

KIWANIS: Howard Atkinson and Clarence Nelson

OTHERS: Rotary: Merv Willoughby, Bill Maderis, Don Witzel, Hal Beatty, Len Baptist, Ray Strong, Tony Raffanti.

Kiwanis: Henry Jewell, Jack Fischer, Sam Reed, Lloyd Nelson, Art Mayo, Doug Strong, Milt Nelson, Jim La Plante, Rex Jeffers, Al Moore, Norm Corvello.

Umpire: Ollie Jensen.

Rotarian highlights as seen by Cassiday, Witzel's single; Cel Gerevas' catch of line drive resulting in double play; Hal Beatty's double steal; Merv Willoughby's two home runs; Bill Maderis' theatrical infield catch; gathering of the Rotarians at Tony Raffanti's home after the game.

STAMPERS SHOW STRENGTH

Campbell Stamp was making a determined bid for the Campbell Little League leadership as another week of play came to a close in the second half. Four hard fought games featured the week's play and when the smoke had cleared the Stampers were locked in a tie with Herb Raymond's speedy outfit.

Friday, July 20

Score by Innings

Herb Raymond	000 000
Western Gravel	300 10

Zints and Martinez; Short, Krug and Bailey; winning pitcher, Short; losing pitcher, Zintz.

	Rns	Hts	Er.
Herb Raymond	0	3	2
Western Gravel	4	7	2

Western Gravel gave the Herb Raymond their first loss of the second half in this game which also marked the first time that Raymond's outfit has been held scoreless. By their loss Herb Raymond's team was knocked out of undisputed first place in the league standings.

John Short and Jerry Krug did the chucking for the Gravelers and both were plenty sharp. Short received credit for the win as he pitched the first three innings, striking out seven and allowing only one hit. Short was also the game's leading batter, getting three singles at three times at bat.

Thursday, July 19

Score by Innings

Campbell Lumber	000 111
Campbell Stamp	040 40

Landers and Fryer; Baldinger and Cobb; winning pitcher, Baldinger; losing pitcher, Landers.

	Rns	Hts.	Er.
Campbell Lumber	3	7	2
Campbell Stamp	8	6	1

Randy Baldinger, who is only nine years old, went the full six innings to receive credit for the Campbell Stamp 8-3 victory over Campbell Lumber. Randy struck out five and pitched no hit ball up to the fourth inning. He had a field day at bat also, collecting a single and a double.

Manuel Puma led Campbell Lumber at bat. In two times at bat he pounded out two singles.

Tuesday, July 17

Score by Innings

Western Gravel	011 320
Campbell Stamp	200 042

	Rns	Hts.	Er.
Western Gravel	7	9	3
Campbell Stamp	8	10	4

Krug, Short and Bailey; Sutton and Cobb; winning pitcher Cobb; losing pitcher, Short; homerun, Cobb (Campbell Stamp).

The Campbell Stampers staged a tremendous comeback to chalk up their 8-7 win over Western Gravel. The Stampers went into the last of the fifth inning behind 7-2 but in the last half of the fifth the Stampers scored four runs. The big blow of this rally was the two run double delivered by Randy Sutton.

Again in the sixth the Stampers put on their do or die act when they were trailing by one run 7-6. The first batter to face Gravel pitcher, John Short, struck out. Then Larry Peters singled to right field.

Bert Cobb then brought the game to a close in a grand style when he lofted a long fly over the left field fence to win the game for Campbell Stamp. Randy Sutton received credit for the win.

Monday, July 16

Score by Innings

Herb Raymond	010 324
Campbell Lumber	400 100

Hecker, DeVita, Raymond and DeVita, Martinez; Goodere and Fryar; winning pitcher, Raymond; losing pitcher, Goodere; home run, DeVita (2).

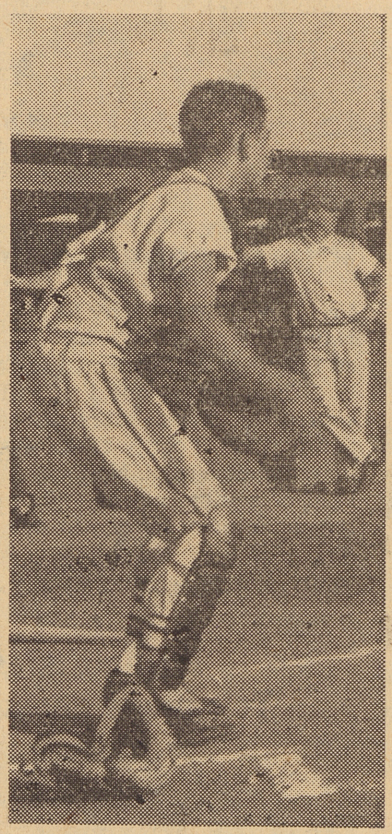
	Rns	Hts.	Er.
Herb Raymond	10	14	1
Campbell Lumber	5	3	7

Coach Herb Raymond had to call on his ace moundsman, Lonnie Raymond and some high powered hitting support from Mike DeVita to down the fighting Campbell Lumber outfit by a 10-5 count.

Raymond took over the pitching duties in the last of the fourth inning with the score all tied up at 4-4 and the bases loaded. Lonnie walked one man to force in a run, giving Campbell Lumber a one-run lead but not for long. This was the last Lumberman to cross home plate as Raymond went on to strike out eight and win his fifth game of the year.

Mike DeVita delivered the hitting punch when it was most needed. Mike connected for his third and fourth home runs of the season to bring Herb Raymonds out of a four-run deficit. John Martinez got four for four, including two doubles, for the victors.

Jeff Goodere did a good job on the mound for the Campbell Lumber, striking out 13 of the Herb Raymond batters.



BIG WEEK. . . . Bert Cobb, catcher for the Campbell Stamp team in the Campbell Little League, stands guard over home plate in the Campbell Stamp-Western Gravel game last week. The game was won in the sixth inning when the Stampers came from behind (on a homerun by this Mr. Cobb) to win 8-7. Cobb also starred in the other games played during the week.—Campbell Press photo.

Hot Spring National Park in Arkansas contains 57 mineral hot springs used in the treatment of various ailments.

The 17 mile drive on the Monterey Penisula traverses a large part of the Monterey pine fores and affords opportunity to observe the picturesque Monterey cypress.

LOW-DOWN ON SPORTS

By Marvin Moore

Play of the Week

Bobbie Balsina, center fielder for Seattle Rainiers made a terrific catch. The San Francisco Seals had men on first and third. Sal Taormina hit a tremendous drive which Balsina went racing back and caught the ball back-handed. The Suds won the game 4-0.

Yanks Get Whipped Twice

The Detroit Tigers took the Yankees in short order. New York lost the first game 9-3. With Mickey Mantle hitting his 31st home run of the year, the Yanks still lost 4-3 in the second game.

Pittsburgh Takes Cincinnati 4-3

The red hot Cincinnati Redlegs and the Pittsburgh Pirates battled it out 2-1 until the top of the 9th. With two men on Robert Clemente came up and hit his 17th home run of the year. Pittsburgh gave Brook Laurence his first defeat of the season with 13 wins.

NO-CAL TEAM SURPRISES

No. Cal Construction has been the surprise team of the second half of the Cambrian Little League which is now playing its games on the new playing field at the Steindorf School.

To catch up with the league, a brief summary of the first week's play will follow the current league standings as of Monday, July 23.

Saturday, July 21

No. Cal Const.	010 192
Robins	001 101

Batteries: Lampreda, Willett and Willett, Lampreda; Florry and Sauer.

	Rns	Hts	Er.
No. Cal Const.	13	14	3
Robins	3	7	5

Saturday's second game found the No-Cal Construction bursting through with a terrific hitting attack that crushed the Robins team by a 13-3 score with 9 of the 13 runs coming in the fifth inning.

Don Schultz, No. Cal Const. infielder, blasted a home run over the left field fence. This four-base wallop was the first one to be hit in the new ball park at the Steindorf School. Schultz' home run came with two men on. The Robns were led at the plate by Johnny Marhorita with two singles.

Monday, July 23

Robins	000 130
Mac's Market	030 22

Batteries:Caudle and Sauer; Perry, Bowman and Holland.

	Rns	Hts	Er.
Robins	4	2	5
Mac's Market	7	7	3

Ted Perry Marketman pitcher, needed help in the fifth inning from Dean Bowman but he fashioned himself a neat two-hitter before giving way to southpaw Bowman who put out the growing rally.

Eddie Sauer, scrappy Robin catcher, was a big factor in the Robin rally when he led off with a long triple to deep right center. The hitting star for the winners was Roger Sipes with a perfect three for three. Al Brasile was deadly as he crashed out two duobles in three trips.

The United States took formal possession of Wake Island January 14, 1899.

GARDEN TIPS

REMINDERS

1. Both Fuchsias and Tuberous Begonias benefit from frequent light feedings.

2. Most lawns are benefited by a midsummer application of fertilizer. Remember well fertilized lawns take less water.

3. It will soon be time to plant winter flowering Sweet Peas from seed. A fertile seed bed will pay off in blossoms. Start preparations now.

4. Crab Grass in lawns can be killed by certain new chemicals without permanent damage to the lawn.

5. If large flowers are desired, disbud Chrysanthemum plants leaving only the terminal flower bud on each branch.

Anise seed is used in making licorice confections, in baking, in the cordial anisette and other liquers.

EDITORIAL

IS THE PERSONAL TOUCH GONE?

All ten city employees (exclusive of the department heads) of the City of Campbell last week organized into a union affiliated with the AFL-CIO.

That they had the "right'' to do so very few will question.

But there will be a number of people wonder why such a move was necessary at this time.

We are one of those.

The employees feel that by organizing into a union, they could better represent themselves and their problems before their bosses, the City Council.

It is difficult for us to understand that such action is necessary in a governmental agency the size of Campbell where every person in the city employ is on a first name basis with the City Council members and other city employees.

Because of the smallness of the city government, the problems that confront both the city and the employees should well be understood by by all concerned.

The city is confronted with the problems of stretching its budget to the limit to accomplish necessary improvements. And with a young city that IS a problem.

The employees, on the other hand, are confronted with the same problem. They also must stretch their income to the very last stretch to cover their budgets. In many cases their income just won't reach.

Both, however, should be able to recognize that the problems exist. It hardly seems necessary at this time to call on a union representative to explain the obvious. It would be the same as having the city call on a disinterested third party to explain the ramifications of city finance to show that income must equal outgo or else.

Nevertheless, we agree wholeheartedly with the premise that satisfied personnel means better service to the taxpayer and we feel very strongly that every effort should be made to bring all city salaries up to what has been loosely termed a "living wage."

Our point is ,and we reiterate, that the city is small and the problems that exist are the problems of all. And all should be aware of them.

When the relationship between city employee and city council becomes less personal than it is today: i.e. when the city grows considerably, an organization that would represent the employees would serve a very useful purpose on both sides of the table.

WHO'S CALLING THE KETTLE BLACK?

Is Campbell a "dirty little town?"

A columnist in the San Jose evening daily newspaper smugly suggested on Monday of this week that it is.

He compared it with Mountain View. "Mountain View," he wrote, "is a dirty little town—like Campbell"...

The columnist tied the remark onto someone else, who remained nameless. Thus the writer can always claim when confronted by irate readers that he didn't say it, he was just quoting.

Members of the City Council and the Chamber of Commerce are quite incensed over the slur on the fair name of Campbell. Yet they should not have been surprised that such a statement was made in either one of the San Jose dailies.

It seems to us that it is merely a part of a distinct pattern that has been followed consistently by both San Jose daily newspapers, whose greed has often overshadowed good judgment and common sense .

The have apparently established the point that the Campbell area and the people in it must be belittled at all costs so that San Jose can rise to greater heights.

Those of us who live here are aware that there is room for improvement in the appearance of the town. But San Jose is no bed of roses, either.

Citizens of Campbell for the most part are conscientious. They take pride in their community. Thev rightly should resent having some smug outsider tell them they are dirty.

Look who's calling the kettle black?

Contrary to what some people think, drivers of Cadillacs can be human.

This was proved the other day when some of the guys in our back shop happened to be looking out the window and saw a very human scene enacted in which a driver of a Cad played the major role.

An old man was walking along Campbell Ave., when a gust of wind blew his hat onto the street just as a Cadillac was passing.

The driver of the Cad slammed on his brakes and stopped just short of the hat. He then got out of his car, picked up the hat, carefully dusted it off and walked over to the old man and politely handed it to him, returned to his car and drove off.

The guys in the back shop were very impressed by this show of courtesy.

We suppose if we racked our brain we might come up with some moral to this story.

But we will let it pass.

Suffice to say that it isn't necessary always to be a "cad" when you own a "Cad".

—o—

We are dependent on Ed Merrill, Campbell's efficient city treasurer, for current reports as to the amount of traffic that scoots up and down Campbell Ave.

Periodically Ed sits in the front room of his house on Campbell Ave. and counts the cars that go by within a certain period of time.

He reported to us this week that his most recent count showed that 400 cars had gone by in 29 minutes. He took the count at about 4:00 p.m.

That's a lot of traffic for that particular street to take.

—o—

It did our heart good this week to see the way the State Division of Highways moved in to rectify the bad situation that resulted when the traffic signals were installed at the intersection of the San Jose-Los Gatos Road and Campbell Ave.

R. D. Kinsey, the state engineer, told us that work would start on the signal change-over last Friday. And, by golly, come Friday the work did start. That fast action on the part of the state proved to us that governmental agencies can move when they have to, although there have been times when we wondered about that.

Both William O. Lewis, of 1236 W. Campbell, and Bill Harrison of "The Virginian" were mighty pleased over the way the Division of Highways cooperated in this case.

In case you don't know what we are talking about, may we remiind you that because of the way the complicated traffic signal system was installed at the intersection, that part of Campbell Ave east of the SJ-LG road was blocked off because of the jog in the road. This made it a traffic nightmare for the 27 residents who lived on that part of the street to try to get on, across or off that heavily traveled thoroughfare. Bill Harrison's "Virginian" was also tied up in knots because of it.

Mr. Lewis, who is retired, has spent the greater part of the week as sidewalk superintendent on the job. We betcha he knows every cable by its first name that goes into that project.

We certainly don't blame him for being pleased now that the situation is being fixed up. We have used the street a couple of times since the signals were working. That was enough for us.

We sympathize what the people must go through who travel the road every day.

—o—

Speaking of signals we had a real scare the other night when coming back from San Jose we saw a traffic signal moving.

All sorts of things went through our mind as we watched the darn signal move down the highway.

It was with great relief that we finally saw that it was being hauled by a cop on a three-wheel motorcycle. He was taking it apparently from one intersection to another.

With all the trouble we have been having with signals of late, we certainly did not want to get involved with a signal that moved.

It is bad enough when the darn things are stationary.

The Palace of Horticulture at the Panama Pacific International Exposition in San Francisco in 1915 was surmounted by a glass dome 182 feet high and 152 feet in diameter.

LETTERS TO THE EDITOR

(Views, opinion etc. express- in this column do not necessarily reflect those of this newspaper. This column is by and for our readers.)

Postmaster Accused

July 24, 1956

To the Editor of the
Campbell Press

I am writing in the hope that you or some of your readers can tell me how the Campbell Postmaster, Ira Grim gets his "pull" in Washington, and has managed to keep publicity out of the newspapers. Others with less serious charges have had considerable publicity. Mr. Charles O'Brien, a San Jose letter carrier, because he stuffed some mail down sewer drains and had mail in his car was dismissed.

Due to poor management, in my opinion, of the Campbell Post Office last Christmas, mail accumulated and a large quantity on which there was no attempt made to deliver was allegedly burned. Sworn affidavits of the alleged burning were filed with the Post Office Department along with other sworn affidavits of other alleged mail burning, false statements and mishandling mail charges against the Postmaster. Resident area Inspector Roache of San Jose and Inspector Utley of San Francisco made a thorough investigation.

The local Inspectors office has informed this writer it is at a loss to know why no action has been taken in Washington.

Four months ago this writer filed charges with the Post Office Department in a sworn affidavit charging Mr. Grim with mishandling mail and making false statements, yet nothing happens. This writer asked our Representative in Washington, Mr. Charles S. Gubser, concerning these and various other charges which have been filed but so far has had no satisfaction from Congressman Gubser, although he is on both the House Post Office and Civil Service Committees.

Please tell me where the little man gets his "pull".

REX A. KABER
680 Emory Ave

Nothing is more honorable than a grateful heart.

—Lucius Seneca

"On Singing Schools"

Editor, The Press

Sir:

I am in my 77th year and still going to "Singing Schools". I have just returned from Dallas, Texas, where I combined a vacation with my people and also attended the Stamps Quartet Music School, to brush up on vocal music teaching.

My next School of music will be a ten night School in the Free Will Baptist Church of Campbell which will be taught gratis to help the Church. I feel that every Church in the Country should have a Singing School taught every year for the children and youth should be taught to love and sing Gospel Music. The reason that Frank Stamps, president and manager of the Stamps Quarter Music Company of Dallas, Texas, is doing so much good in the Gospel Music World, he is getting the Young People and Children enrolling in his Schools and is teaching them to love and sing Gospel Music. He had about 600 enrolled in his three weeks Music School in June this year, mostly boys and girls and young people.

Every church should have a well trained choir and chorister and the best way to have them, is to have a good rousing Singing School taught in their Church every year. It helps the Pastor to preach better to have lots of real good Gospel Singing in his Church. A Singing Church is a real Spiritual, happy and growing Church. I love people, especially the boys and girls and young people and have been organizing Sunday Schools and Singing Conventions in California since 1929 and am still working at it.

I think that if all our good pastors of all denominations would realize the good and uplift the Singing Schools and Singing Conventions would bring to their Churches, they certainly would have a Singing School taught each year in the Churches. They would have the County Singing Convention to meet in their Churches often. If people would learn to smile and sing more, we would not have so much sin, sickness and sorrow in this World. We must learn to love people, smile and sing praises to the Good Lord.

Sincerely yours for better Gospel Singing.

D. B. SEALE,
Los Gatos

Pioneer Savings Awards TV Set

An Oakland resident won the large CBS color television set awarded by the Pioneer Savings and Loan Association at a drawing held recently at the firm's new Valley Fair office between Macy's and Emporium's development.

Mary Lou Yglesias, Miss San Jose contestant for the Santa Clara County Fair, drew the lucky number. According to Glen C. Coplen, manager of the savings firm, the color TV set was presented to one of the many savers visiting the Pioneer Savings office either in donwtown San Jose, Willow Glen, Valley Fair, Sunnyvale, Los Gatos, Oakland, Hayward or Monterey.

The manager reported that many Campbell residents visited the Pioneer Savings' Valley Fair office, during the recent reinvestment period to receive their free gifts for opening an account. The firm has also announced that these free gifts would be given in all offices, including Valley Fair, as a special accommodation to savers who were unableto get into one of their offices during the re-investment period.

Carl Ohr Manages Felice Shoe Shop

Carl Ohr, new manager of Felice Shoe Store in Los Gatos, took over the job on July 15, with a background of 25 years experience in fitting and selecting best types of footwear for all ages.

His career in the shoe business started in Dayton, Ohio, before coming to San Francisco ten years ago where he was manager of the main floor at Sommer and Kauffman. From there he went to San Jose where he worked at Bloom's Shoe Store for two years, before taking over management of the store in Los Gatos.

Carl and his wife, Ann, and 10 year old son, Robert, make their home in Cupertino. His son Ronald, who also lives in Cupertino, is married and has two daughters, Deborah, 18 months, and Terry, one year old.

When he has time, his favorite recreation is working in his yard and playing ball with Robert, who is a Little Leaguer in Cupertino.

California's San Joaquin Valley is considered the most productive agricultural area in the world.

The Continental United States 2,973,774 square miles of land and 53,015 square miles of water.

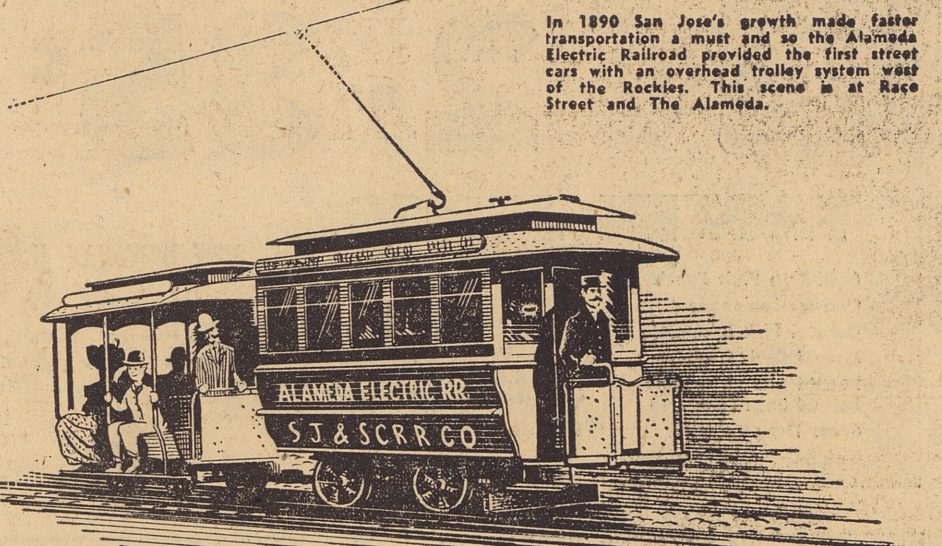
90 YEARS
OF DEPENDABLE WATER SERVICE



In 1890 San Jose's growth made faster transportation a must and so the Alameda Electric Railroad provided the first street cars with an overhead trolley system west of the Rockies. This scene is at Race Street and The Alameda.

San Jose's fast trolleys were the envy of the Pacific Coast in 1890 and the city had grown so much that it was no longer an easy stroll from one side of town to the other. A safe, dependable supply of water for homes and businesses was one reason for this growth.

The vast network of pipes, which now serves more than 66,000 customers began in 1866 with a main two blocks long on Santa Clara Street. Even before the turn of the century, San Jose Water Works engineers had started to develop the dual supply system which provides priceless protection from disaster now.

Sparkling man-made lakes in the Santa Cruz Mountains and deep wells in the valley give home-owners and industry two separate sources of water supply—an advantage enjoyed by only a few American cities.

Today this two-way supply is a vital factor in the bright future of the whole metropolitan area surrounding San Jose.

Westhills Club Installs Officers

When Westhills Service Club held their annual installation luncheon at Almaden Golf Club last Saturday, Mrs. Arthur Cowdery, outgoing social chairman, presented newly elected officers with pastel-hued corsages, on behalf of the club, and a gift to Mrs. Donald Grazier, outgoing president, in appreciation for service to the club during her term of office.

Orange and yellow flowers carried out the motif of the table decorations, with nut cups in the same colors and replicas of the president's gavel placed on each nut cup.

Mrs. Verle Grizzle accepted the gavel as the new president. Other officers installed with her were: Miss Alleen Cowdery, vice president; Mrs. Stephen Everett, recording secretary; Mrs. Theodore Luoto, secretary; Mrs. Allen York, corresponding secretary; Mrs. George Kemp, publicity chairman; Mrs. Thomas Jordan, social chairman; Mrs. George Miller, project chairman, and Mrs. Robert Boltz, ways and means chairman.

Westhills Service Club was formed six years ago, with the main purpose of rendering service to the community. Latest project of the club was raising funds to help send handicapped children to summer camp.

Their annual rummage sale will be held in San Jose on August 23 and 24.

ADVENTISTS RETURN

Members of the local Seventh-day Adventist Church returned this week from their annual 10-day campmeeting which ended in Soquel on July 21, and will resume their regular schedule of church activities this Saturday morning.

CARMEL HONEYMOON . . . Mr. and Mrs. Domingo Dedini, Jr. are at home in Los Gatos following their wedding trip to Carmel. The young couple recited their vows at St. Lucy's Church in Campbell on the afternoon of July 8, with Father Denis Kennelly officiating. The new Mrs. Dedini is the former Miss Lorelei Delia of Campbell. The groom is the son of Mr. and Mrs. Domingo Dedini, Sr. of Gilroy.

Miss Pounds Becomes Mrs. S. Allen In Afternoon Double Ring Nuptials

After being escorted on the arm of her father, down the aisle of Westside Nazarene Church in San Jose on the afternoon of July 15, Miss Lonelle Pounds met her groom before the altar where the couple knelt beneath an archway of greenery in a setting of white stock, carnations and gladioli to recite their vows in a double ring nuptial ceremony. The Rev. Kenneth Vogt officiated.

Miss Inez Diamond sang "Because", accompanied by Mrs. Gimmy Shoemaker at the organ.

For her wedding, the bride chose a gown of white chantilly lace over satin with a fitted bodice, buttoned down the back, a scoop neckline and fitted sleeves, coming to a point at the wrist. Her very bouffant skirt was ballerina length. A crown style lace headpiece trimmed with sequins and seed pearls held her fingertip veil, and she carried a French bouquet of white carnations with lilies-of-the valley caught in the streamers, centered with a white orchid.

Her three attendants had identical gowns of aqua crystalline with fitted bodices and scoop necklines, bordered with the same material as the gowns with large bows in the back with streamers coming to the waist. Their skirts were ballerina length and bouffant. They carried French bouquets of yellow carnations with yellow ribbon streamers.

Mrs. Patricia Williams was the bride's matron of honor; her sister, Mrs. Ozelle Vestal, and her sister-in-law, Mrs. Mary Pounds, were brides maids.

Miss Carole Vestal, niece of the bride, and her cousin, Miss Barbara Pounds, were candlelighters. They wore identical ballerina length gowns of pink crystalline with bouffant skirts, fitted bodices and modified square necklines.

Clem Ross was the groom's best man and ushers were Paul Nelson, Roy Kettlehut and Melvin Pounds.

For her daughter's wedding, Mrs. Howard Pounds, chose a rose lace dress. With it she wore white accessories and an orchid corsage.

Mrs. J. T. Allen, the groom's mother, was attired in a pink flowered crepe gown with white accessories. An orchid corsage was pinned at her shoulder.

Following the ceremony, a reception for 140 relatives and friends of the newlyweds was held in the basement of the church. When the couple cut their wedding cake, they stood before a background of a large pink heart which was centered with white carnations. Their five tiered wedding cake was decorated with silver leaves and silver-edged bells and flowers, topped with the traditional miniature bride and groom.

When the justweds left for their honeymoon at Brookdale, the new Mrs. Allen wore a yellow linen dress with a short jacket of yellow and white. Her accessories were white and she wore the orchid corsage from her bridal bouquet.

The bride, daughter of Mr. and Mrs. Howard Pounds of 179 West Latimer in Campbell, attended Campbell Grammar School and graduated from Campbell Union High School. She has been employed by California Pacific Title Insurance Company in San Jose.

Steward is the son of Mr. and Mrs. J. T. Allen of 2140 Alameda Court in San Jose. He is employed by Tidewater Oil Company in San Jose.

On returning from their wedding trip, the newly weds will make their home in San Jose.

Netops Council Raises Chiefs

When new chiefs of Netops Council No. 247 were raised recently for the coming term, Mrs. David Cunha, Deputy Great Pocahontas was in charge of the ceremony.

She was assisted by Mrs. William Carey and Mrs. Jean Gillespie, Mishinewas; Mrs. James Cronin and Mrs. Gus Larsen, jewel bearers, and Mmes. Harold Means, Walter Justus, Larry Gage, Ruby White, George Hoehm, J. E. Nichols, James Cunningham, Jack Beach, Edith Gulley, Esa Enos, Evelyn Lawson, the Misses Stella Ely and Beatrice Glaze and Mr. David Cunha.

New leaders for the coming term are: Mrs. John Morris, Pocahontas; Mrs. D. P. Gutierrez, Wenonah; Mrs. Walter Lamb, Prophetess; Mrs. Phyllis Radford, Powhatan; Mrs. Robert Loveday, keeper of the records; Mrs. Jess Peters, keeper of wampum; Mrs. George Reynolds, collector of wampum; Mrs. Stanis Rohde, trustee; Mrs. Maxine Smith and Mrs. Edna Black, scouts; Mmes. Donald Johnson, LaVern Helwig, Wanda Hughes and C. A. Cole, warriors; Mmes. M. L. Dorsett and Alfred Amstutz, runners; Mmes Wanda Garner and Ray Gilpatrick, aides; Neola Samsky and Marie Brown, councilors, and Lewis Haller and Miss Rayetta Nelson, guards.

Mrs. C. A. Cole was general chairman, with Mrs. Robert Loveday in charge of decorations and Mmes. Ray Gilpatrick, George Reynolds, Jess Peters and Walter Lamb, refreshments.

H. Naylor Returns From El Salvador

Miss Hancie Naylor is back in Campbell again after spending 18 months teaching at the bi-lingual school in San Salvador.

Miss Naylor, who taught in the Campbell Grammar School for 33 years before her retirement, taught English at the "Escuela Americana" in San Salvador. Paul Becker, another former Campbell teacher, is director of the school.

Although she enjoyed her stay in the Central American country and had an opportunity to do a lot of sightseeing, Miss Naylor doesn't contemplate returning there, but expects to take it easy for a while before making further plans.

Among friends she made were American teachers from several states, including Florida, Virginia, Wisconsin and Washington, besides many people who make their permanent homes in El Salvador.

Although the climate is tropical and there are only two seasons, six months of rain and six months →

of dry weather, Miss Naylor reports that she lived quite comfortably in a guest home with all modern accommodations, although living expenses are a bit higher than they are here.

Before returning home, she took some interesting sightseeing trips into the Yucatan Peninsula and Guatamala. At Yucatan one of the interesting points of interest was the city and port of Compeche, which was founded in 1540 and walled during the seventeenth century as a protection against pirates.

She also stopped to explore Chichen Itza, reported to be one of the archeological wonderlands of America, which was founded between 435 and 455 A. D.

Motor Service Assn., lien sales representatives, 724 Shearton Dr., San Jose.

Open House to be Held for A. D. Rice Golden Wedding

Mr. and Mrs. Arthur D. Rice, of 150 West Rincon Ave., real western pioneers who migrated to the west in a covered wagon, will observe their golden wedding anniversary next Wednesday.

In observance of the occasion, the couple will hold open house every afternoon next week, starting Sunday, when friends and relatives can come and call on the couple. Their daughter, Mrs. Fred Burke of Oakland, and daughter-in-law, Mrs. Herman Y. Rice, will be on hand to assist in greeting callers.

Mrs. Rice, who was born at Star Lake, Minnesota, and Mr. Rice at Almond, Wisconsin, moved with their families to McMinnville, Tennessee, at an early age, where they later met and were married.

Early in the 1890's Arthur Rice migrated to Oklahoma Territory, and staked out a homestead. He still has in his possession the original hand-written land grant which was signed by Teddy Roosevelt. Fourteen years after leaving Tennessee for Oklahoma Territory, Arthur returned to Tennessee where he met and married Miss Lottie Norris on August 1, 1906 and shortly afterwards, the couple returned to the homestead in Oklahoma, via covered wagon, where they raised cattle. Their four children were born on their homestead site, and the family lived there until they came to Campbell in 1920.

They still own the Oklahoma property, but instead of raising cattle, the land is mainly used now for raising cotton.

Arthur Rice was a rancher in the Campbell area until his retirement in 1930.

The couple raised four children. Their daughter, Mrs. Fred Burke, lives in Oakland and another daughter, Mrs. Harry Quirke, makes her home in San Jose. Her son Arthur Dr. Jr., lives in Campbell and Herman Y. has lived in Campbell until a few months ago, when he and his family moved to Cupertino, although they still consider themselves Campbellites and take part in Campbell activities with their friends. Besides their four children, they have 16 grandchildren and 4 great grandchildren.

J. Prestigiacomo Feted at Barbecue

Chuck and Isabel Prestigiacomo held a bon voyage barbecue last Saturday night for Chuck's brother, Joseph, who leaves Saturday for an extended European trip.

Before sailing for Europe from Montreal, Canada on August 3rd, Joe will spend a few days in New York and Canada. He expects to arrive in London on August 10 and from there his travels will take him to the continent where he will travel in many European countries, including the Scandinavian countries. He expects to spend some time in Italy visiting relatives.

Joe, who is the son of Mr. and Mrs. Settimo Prestigiacomo of Campbell, graduated from Campbell Union High School and San Jose State College where he got his engineering degree. He has been employed at Eitel-McCullough in San Bruno as a design engineer. He also has served in the U. S. Navy.

Family members attending the barbecue were his parents, Mr. and Mrs. Settimo Prestigiacomo; his sisters and their families, Mmes. Fred Burt, Ted Anderson and John Aiello; also his brothers Charles and Roy and their families. His aunt, Mrs. T. Lewis, and his 88-year old grandfather, C. Orlando. Miss Doris Gunning, a friend, also attended.

The couple hasn't taken an active part in recent community affairs as they haven't been feeling too well lately. Mrs. Rice hasn't yet fully recovered from a broken hip she suffered last February.

Mrs. Rice has been active in many Campbell affairs. She is a past president of Campbell Grammar School PTA, and formerly an active member of the First Methodist Church, where she is past president of the Ladies Aid, which is now succeeded by the Women's Society for Christian Service. She is an honorary member of the Country Woman's Club and formerly very active in Campbell's Ada Rebekah Lodge and is a Past Noble Grand of that lodge.

Because the couple has not been feeling too well, no special big event is planned, except the open house from Sunday to Sunday, when they can enjoy leisurely visits with their many old friends and relatives.

SOCIETY - CLUBS - PERSONALS

Bucs Cove Invites Freshmen to Join Summer Activities

By Sharon Jordan

"Bucs Cove" is especially inviting freshmen. We have only sold a few over one hundred membership cards. By now, we had planned to have at least two hundred members.

This is a wonderful opportunity to have lots of fun with your future classmates..

This club meets every Monday, Wednesday and Friday night. All gatherings are chaperoned by Mrs. Duddridge, a physical education teacher, and by one of our outstanding coaches, Mr. Raley.

This program includes swimming, dancing and games such as ping pong and a new game polo-ett. We also have various parties. We are planning a skating party on Wednesday, August first. The bus will take and bring us to the school from "Roller Land". We are also planning a "Big Dance", with a big orchestra. The bus will also give us transportation to and from Camden High School. Both schools will be participating in this dance.

Just like all clubs, we have rules, too. Some of our main rules are, please, after you come in, do not leave the lighted areas, which are in the hall. All members are responsible for their own conduct and that of their guests. There are others equally important.

CCPT MEETS IN L. A.

With no break in continuity of activity in the transition from one administration to another, the board of managers of the California Congress of Parents and Teachers met in regular session in Los Angeles, July 11 and 12, to consider some legislation important to education and to start plans for the year ahead.

Mrs. Russell Scott, president of the Congress, presided at all sessions.

"Begin Today to Live With Safety" is the safety theme for the year, as announced by Mrs. Clinton Dickison of Los Angeles, safety chairman. The slogan is "Be Alert, Stay Alive".

Garden Club Makes County Fair Plans

When Campbell Garden Club held their July meeting, plans were discussed for the group's participation in the Santa Clara County fair in September.

Discussion of the fair project was led by Mrs. R. D. Sindel and Mrs. Charles M. White, co-chairmen of the fair project.

Mrs. Fred Smith, club president, announced the acceptance of four new members into the club. Mmes. George Kaphingst, Carl Haack, Ray Williams and Grace Crawford are members who recently joined the club.

When the club holds their September meeting, plans will be discussed for their annual flower show.

SKIFF TROLLING

Good skiff trolling for both king and silver salmon is to be had just outside the harbor of Crescent City, California, according to the National Automobile Club.

LEGAL NOTICE

NOTICE TO BIDDERS

The Board of Trustees of the Campbell Union School District will receive sealed bids up to and including 2 P.M. August 2, 1956, at the Administration Building, 111 North Third Street, Campbell, California, for:

Furniture for 9 Portable Classrooms—Projects 19/13308, 19/13-309, and 19/13310

according to the conditions as set forth on the Bid Form and Specifications which may be secured at the Administration Building, 111 North Third Street, Campbell, California.

Bids will be opened at or about 2:00 P.M. August 2, 1956 at the Administration Building, 111 North Third Street, Campbell, California.

The Board of Trustees reserves the right to reject any and all bids and to waive any informality in any bid received.

BOARD OF TRUSTEES
CAMPBELL UNION

Pub. July 26 and Aug. 2, 1956

PROTECTION

Long sleeves and long pants are your best protection against insect bites on those summer hikes, advises the National Automobile Club.

LEGAL NOTICE

ORDINANCE NO. 105

AN ODRINANCE OF CITY OF CAMPBELL, CALIFORNIA, FIXING THE AMOUNT OF REVENUE NECESSARY FOR THE OPERATION OF THE VARIOUS DEPARTMENTS OF CITY OF CAMPBELL, AND TO PAY CITY INDEBTEDNESS DURING THE 1956-1957 FISCAL YEAR OF SAID CITY.

WHEREAS, the City Council of City of Campbell has found and determined that City of Campbell will reasonably require the sum of THREE HUNDRED EIGHTY THREE THOUSAND, ONE HUNDRED FIFTY SIX & 23/100 dollars ($383,156.23) to operate the various departments of the City,

NOW, THEREFORE, the City Council of City of Campbell does ordain as follows:

SECTION ONE: The sum of SIXTY THREE THOUSAND, EIGHT HUNDRED THIRTY THREE & 33/100 dollars ($63,833.33) is hereby fixed as the amount of money to be raised by taxation of taxable property in the City of Campbell as a revenue to operate the various City departments and to pay City indebtedness for the current year 1956-1957.

PASSED AND ADOPTED this 23rd day of July, 1956 by the following vote:

AYES: Councilmen: Arends, Fairchild, Morton, Rose, Chargin.
NOES: Councilmen: None
ABSENT: Councilmen: None

APPROVED:
JOHN M. CHARGIN
Mayor

ATTEST:
DOROTHY TREVETHAN,
City Clerk

I, Dorothy Trevethan, City Clerk of the City of Campbell certify that the foregoing ordinance was passed and adopted at a regular meeting of the City Council of the City of Campbell on the 23rd day of July, 1956.

DOROTHY TREVETHAN
City Clerk

Publish July 26, 1956

During 1955, 104 slaughtering plants under Federal meat inspection in the nine Western States processed 9,298,000 head of cattle, sheep and swine.

Groups Preparing Fair Exhibits

Chairmen and co-chairmen of county garden clubs planning to exhibit at the Santa Clara County Fair, September 10-16, met last evening at the fairgrounds, with Mrs. Dorothea Warner, garden section fair chairman, presiding.

This was the final meeting for lot and garden spaces selection before the fair, according to Mrs. Warner. A question and answer period concerning the fair was also held.

Other fair committees also are putting initial plans into operation at the fairgrounds. Fruit and agricultural products are being gathered by the Agricultural Division, according to Wes Hoover, department superintendent. Approximately 300 entries, including varieties of cherries, have been received in the Agricultural Department as of last Friday.

Farm Women's organizations, comprised of home economics departments of the County Granges and the Agricultural Extension Services, have decided on the theme "Home Is What You Make It" for their competitive exhibit booth at the fair, according to Mrs. Ben H. Campbell, home economics department chairman.

The theme will be followed through by depicting homes in various locations throughout the country. Mrs. Campbell has added this will be the first year these organizations have decided on such a feature.

The home economics department of the Agricultural Extension Services also will assist at Cookie Day, to be held Tuesday of fair week. The women will present a program, fashion show and assist with the judging.

Community and International booths will follow score cards as in previous years, Mrs. Campbell concluded.

The territory of the United States, as recognized by Great Britain in 1783, contained approximately 869,735 square miles.

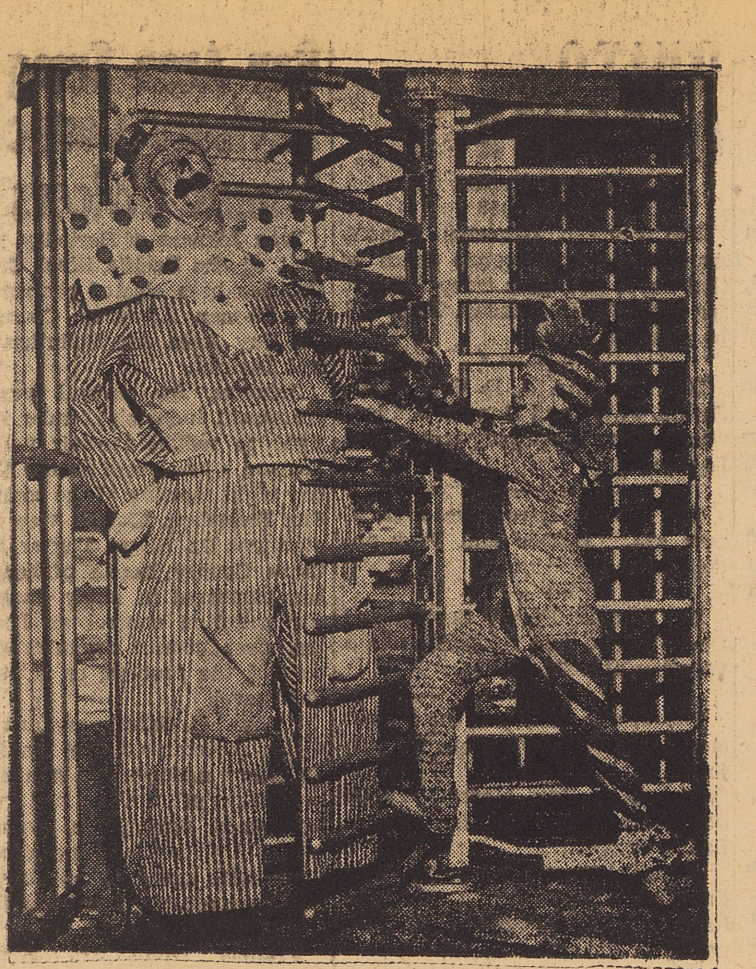
Local Brownies Attend Day Camp

Campbell Brownies put on a program of skits and songs for parents and friends last Friday, their last day at Camp Sycamore, which they had been attending every other day for two weeks. Mrs. Gerda Godoa directed the program.

During their days at camp, girls in the various troops made new friends among other troops, besides taking part in many activities planned for them. Cookouts, crafts, hiking and wading in the creek were some of their activities. The director of the Junior Museum at Alum Rock Park also spoke to the girls.

Troops from Campbell and their leaders were as follows: In Unit One, Troop 420, leaders were Mmes. Barbara English, Kathryn Atkinson, Anita Hubar, Laverne Vallelunga. Mmes. Dorothy Lawler, Betty Murray, Lena Tackitt and Margaret Stewart were in Unit Two, with Troops 350 and 403. Unit Three, Troops 448, 462 and 37 were led by Mmes. Jay Murison, Alice Price, Jo Smith and Betty Stewart. Troops 468, 453, 474, 90 and 487 made up Unit Four, with the following leaders: Mmes. Felice Neujahr, Jean Standish, Wilma Kinzie, Iva Hughes, Maxine Pentzen and Ruth Simpson. Mmes. Nita Clark, Betty Erickson, Frances Nelson, Litha Parrish and Mildred Stone led Troops 448, 468, 487 and 190, who made up Unit Five.

Mrs. Gerda Godoa was camp director; Mrs. Eretta Duarte was business manager, and Mrs. Beverly Fleming, camp nurse.



GATE CRASHER . . . An early bird gets the word at a California State Fair turnstile. If it's fun you want, says Henry "Curly" Daily, come back August 29- September 9. There will be a spectacular "Clownorama" from Hollywood, featuring clown acts and acrobatic stunts in a one hour, show twice daily. Didi Hinckley, the would be gate crasher, and other youngsters through 16 are eligible to compete for silver dollars in a Children's Clown Parade on opening day.

Mr. and Mrs. Cliff Ebersole of Oakland spent last Saturday visiting their aunt and uncle, Mr. and Mrs. Robert Scholz on Winchester Road.

Campbell Register

Mrs. R. W. Martin and Mrs. George D. Robertson were honored with a surprise birthday luncheon by Mrs. Bruce Jones of San Jose last Thursday, at LeJac's in San Jose. Twenty friends gathered and sang "Happy Birthday" to the two. Mrs. Martin's birthday fell on July 19 and Mrs. Robertson's on July 10.

Mrs. Frances Swain is still at O'Connor Hospital where she has been for the past eight weeks, following surgery. She is still quite ill and unable to have visitors. Mrs. Swain makes her home at 95 North Central Ave. in Campbell, with her sister, Miss Mary Fablinger.

Mr. and Mrs. Louis Brandon (Velva Brandon is the Methodist Church secretary), have returned to Campbell after taking a 3000 mile trip which included Yellowstone Park and stopovers to visit relatives in Oregon, Wyoming and Idaho. On their return trip they stopped at Crater Lake and Crater of the Moon. The Brandons reported they had wonderfully cool weather all the way. Their son and daughter, Paul and Karen also took the trip with their parents.

Mr. and Mrs. LBen Howard and family had visitors from Long Beach when their friends, Mr. and Mrs. Tom Wallbride stopped in for a four day visit on their way up north. The Howards, with their daughter, Heather, left last Sunday for Lake Tahoe where they are spending the week. They expect to return Sunday.

Guests at the Norman Mowery home on East Campbell Ave. were their old friends from Wausau, Wisconsin, Mr. and Mrs. Robert Speicher with their children, Carol, Robert, Jr., Roger and Kay. The Speichers had been visiting in New Mexico, Arizona and Southern California and stopped in for a few days visit with the Mowery family on their return trip to Wisconsin.

Little Linda Hope, 18 months old daughter of the Elmer Hopes on East Campbell Ave., has her leg out of a cast now and is getting along fine, after breaking her leg in a freak accident ,while playing one day several weeks ago. Somehow, her foot got caught in the hem of her dress, causing her to trip and fall and break her leg. Linda has a five-year old brother Paul and four year old sister, Cynthia.

Miss Sadie Maxson, affectionately known to early Campbellites as "Aunt Sadie", is presently at North Hall of County Hospital, recovering from a broken shoulder suffered in a fall in her home on her 87th birthday two weeks ago. Many old settlers will remember when Miss Maxson operated Campbell's hotel and apartments for twenty years, from 1912. Her nephew, Jack Stanford and family from Stockton, gave up their vacation to take care of her during the period she was at home, before returning to the hospital. Friends are welcome to visit her, from 1 to 2 in the afternoon and from 7 to 8 evenings.

Mr. and Mrs. John Ensminger and son, John, 14, who make their home on East Campbell Ave. arrived home on Friday the 13th from a month's trip visiting relatives and friends in Kansas City, Missouri. They spent most of their time with Mrs. Ensminger's folks, Mr. and Mrs. George Boschenriehter. They visited her brother George and family, and their daughters Bonnie and Joan, also John's sister and family, Mr. and Mrs. Earl Lewis. They made many stops at interesting points along the way, including the Grand Canyon and Carlsbad Caverns. In Albuquerque, New Mexico, they visited John's brother, James Kenagy and his wife and children, Janice and Jimmy.

Mrs. Ronald Coleman is busy cleaning house after spending the last few weeks entertaining guests. Ronald's parents, Mr. and Mrs. J. Glenn Coleman, also his grandmother, Mrs. Mary Benton, were here from Fresno for a week's visit. Mrs. Benton, of course, is David and Michael Coleman's great grandmother. Mrs. Coleman's parents, Mr. and Mrs. Frank Tessendore, returned to Fresno last Tuesday after visiting the Colemans for three days.

Mrs. Nora Wilson of 116 South Fourth Street has been busy entertaining out-of-town guests recently. A few weeks ago, her brother and sister-in-law, Mr. and Mrs. Milton Callas came to visit her for about a week from Vernon, Texas. They had stoppel in San Mateo to see their daughter and family, Mr. and Mrs. Roy Willis and small sons, Harry and Wayne. Mrs. Willis drove her parents to Campbell a week ago Sunday and had dinner and spent the day with Mrs. Wilson. When Mrs. Willis came back a week later to take her parents back to her home for a visit, Mrs. Wilson went along and spent the day and enjoyed Sunday dinner with the group.

Mrs. Wilson's brother and sister-in-law stopped in to see her a few weeks ago after attending a convention in Colorado. They are Mr. and Mrs. Lewis G. Gulley of Mountain View, Arkansas.

Mrs. Edna Smith returned recently from San Francisco where she visited with her son-in-law and daughter, Mr. and Mrs. Walter Krohn. While there, Mrs. Smith spent some time in the hospital where she underwent a series of examinations. She's feeling much better, but is still on a diet.

Another Campbell resident on the sick list is Mrs. E. R. Morse of 898 Cameo Drive. She has returned home from O'Connor Hospital where she underwent surgery last week. Mrs. Morse is reported to be much improved and getting along fine.

Jay Sneed of Cameo Drive, is still confined to O'Connor Hospital following a heart attack suffered two weeks ago. His condition is much improved, but he still has a lot of resting to do before he can resume regular activities.

Newcomers

PHILLIPS—To Mr. and Mrs. Fred W. Phillips, 634 Harrison, Campbell, a boy, Kim Robert, born July 18 at O'Connor Hospital.

WELLER—To Mr. and Mrs. Theodore G. Weller, 748 Audrey Ave., Campbell, a boy, Mark Gregory, born July 18 at O'Connor Hospital.

AYLETT—To Mr. and Mrs. Melvin H. Aylett, 14746 Nelson Way, Cambrian Park, a boy, Richard Lyle, born July 19 at San Jose Hospital.

WRIGHT—To Mr. and Mrs. Raymond W. Wright, 317 Esther Ave., Campbell, a boy, Jonathan Wayne, born July 20 at O'Connor Hospital.

STRINGER—To Mr. and Mrs. Lawrence A. Stringer, 440 Central, Campbell, a boy, Larry Allen, born July 21 at O'Connor Hospital.

RECOVERING AT HOME

Mrs. E. Sears of Flamingo Drive, spent a week at San Jose Hospital and is home again and feeling a lot better.

Introduction of the French (Agen) prune in California in 1856 is considered to be the beginning of the California prune industry.

He who acknowledges a kindness has it still, and he who has a grateful sense of it has requited it.

Biggest in World

Veterans' Training Program Closes Books for All But Few WWII VETS

The largest veterans' training program the world has ever known ended this week for all but a small handful of World War II veterans.

It is the 12-year-old GI Bill—a law that has given more than 7,800,000 World War II veterans a chance to catch up with the years taken out of their lives by military service, Veterans Administration said.

This week also mâkes the virtual end of another program— Public Law 16 Vocational Rehabilitation training for disabled veterans of World War II. Under this program, VA figures show that more than 610,000 disabled veterans have been given a "lift" toward self-reliant living.

Under S. F. Office

In the 43 counties in Northern California under the jurisdiction of the VA's San Francisco Regional Office, a total of 240,000 veterans have received training, it was disclosed by J. Glenn Corbitt, Regional Manager.

Of these, 46 per cent enrolled in institutions of higher learning; 34 per cent in schools below the college level; 17 per cent in on-the-job training and 3 per cent took institutional-on-the-farm training.

Total cost of the GI Bill training program has been $14.5 billion dollars. Of this sum approximately $370,000,000 was spent in Northern California. Of this amount, 70 per cent was paid directly to veterans as subsistence allowance; 27 per cent went to schools for tuition and fees, and 3 per cent went for books, supplies and equipment, Mr. Corbitt said. Only five cents out of every dollar went for administrative costs.

The GI Bill training program has been an investment that is already paying dividends to America in terms of veterans achievements, the VA points out. A recent survey showed that the median income of veterans has gone up over 51 per cent over the past six years, compared with a 19 per cent rise for non-veteran males of the same age group.

School Level Up

Another survey showed that the veteran's educational level is better than four years of high school, while the level of non-veteran males, same age group, is but two years of high school.

Out of every 100 GI-trained veterans, 33 aimed for highly-skilled trade and industrial jobs; 10 engaged in scientific studies, including engineering and medicine; another 10 went into management and business administration; still another 10 learned the latest technique of scientific farming; 6 studied the humanities; 5 took sales and clerical courses; 3 prepared to become teachers, and the rest trained for a wide variety of other occupations.

In Northern California the average cost per trainee was $1,800. Veterans who selected college training cost $2,500; schools below-college-level, $1,500; on-the-job training, where the veteran received apprentice wages, $1,000; and farm training was the most expensive costing $3,000 per veteran.

A VA follow-up study of disabled veterans trained under Public Law 16 revealed that 95 out of every 100 rehabilitated veterans are employed, and that nearly all of them are using the skills they learned while in training. Further, more than 99 per cent indicated they like the kind of work they are doing.

The average diabled veteran who held a job after military service, but before starting Public Law 16 training, earned $39 a week, the VA survey showed. Soon after completing rehabilitation, his weekly pay had nearly doubled.

Nearly 35 per cent of the disabled veterans were trained for professional, semi-professional and managerial occupations, compared with only 23 per cent of the nation's total labor force holding such top-level jobs.

Another 38 per cent of the disabled veterans trained for skilled trade and industrial occupations; 4 per cent studied farming, 11 per cent aimed for clerical and sales positions, and the rest trained for a variety of other types of jobs.

Mostly for Men

While the training program was predominantly for males, a total of 1.7 per cent of all trainees were former servicewomen, Wacs, Waves, Spars, Women Marines and Nurses.

Of the woman trained, the majority selected college or vocational schools. However, five-tenths of one per cent enrolled in various on-the-job training courses, and one-tenth of one per cent selected farming as a career.

While the training program is virtually at an end for World War II veterans, a few will be allowed to continue their studies. These include those veterans who enlisted in 1945 and 1946 under the Voluntary Recruitment Act; and a few severely handicapped veterans whose disabilities prevented an early start of the rehabilitation program.

However, the Korean GI Bill, entering its fourth year, is just now getting into full swing, and the VA expects nearly three quarters of a million Korea veterans will be in training this fall. Under Public Law 894 veterans disabled during the Korea conflict, are eligible for rehabilitation training for several more years.

In the San Francisco Regional Office, it is estimated that about 30,000 veterans will be enrolled for training this fall.

MORELAND MUSINGS

Jan Shriver, Gracelyn Konoff, Anne Zallio, and Joanne Jones of Girl Scout Brownies troop 203 left for Scout Camp Monday. They will be gone 12 days.

Mr. and Mrs. J. R. Greensides, Jackie, Patty and Donald left last weekend for a camping trip at Mt. Lassen.

The Jack Stiltzes have a brand new son. Mother and baby are doing fine.

Pat Landis, Ricky, Scottie and Claudia have just returned from a vacation at Lake Tahoe.

The Vesper choir and the Chapel choir from the Westhope Church joined in a surprise birthday party for Mrs. Ray Martin, Chapel choir director, and Mrs. James Bruce, organist.

After choir practice, the two groups met at Bertha Martin's house to enjoy a huge double birthday cake and soft drinks.

Ray Martin's sister, Mrs. H. B. Kleinen, and her daughter Carol of Capay valley were overnight guests at the Ray Martin home last week.

The Priscilla Circle met at the church this month. Mrs. Robert Pitman gave a report on the work of the United Presbyterian Women's Society with the Negroes in this country. Mrs. R. Murdock read a poem.

The September Church bazaar was discussed, and plans were made for the Priscilla Circle to help with it. The August meeting will be held at the home of Mrs. Paul Niccoll.

O Lord, who lends me life, lend me a heart replete with thankfulness. —Shakespeare

Bay Area Smog Advisory Council Names Officers

Ivan Johnson of Berkeley, president of the Pacific Steel Casting Co., has been elected chairman of the 20-man Advisory Council of the Bay Area Air Pollution Control District.

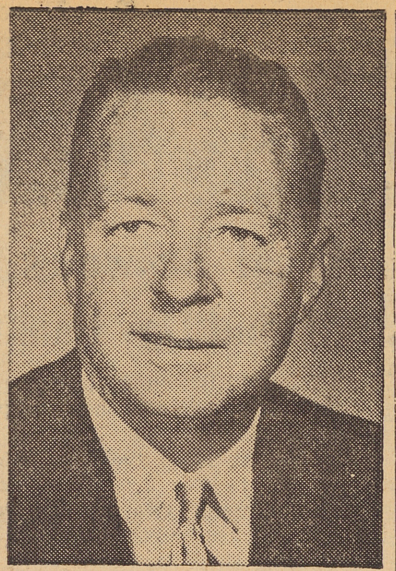
Johnson, for several years a prominent industrial leader in the fight to reduce the air pollution menace, was elected at the Thursday night meeting of the council in San Francisco. Elected vice chairman was Dr. Elwyn Turner, Santa Clara County health officer, who has pioneered in many phases of air pollution control as head of the first county organization to combat the problem on a strictly local level.

Richard H. Zeller, assistant managing director of the California Trucking Association, was named secretary of the council which represents agriculture, transportation, universities, organized labor, health agencies, industry, general contractors, architects and community planners.

Francis Dunn Jr., Alameda County supervisor and chairman of the six-county district (Alameda, Contra Costa, Marin, San Francisco, San Mateo and Santa Clara) board of directors, was in charge

He told council members they would be expected to give technical advice to the board and gather all available information for an effective and all-out fight against the air pollution problem.

Representing Santa Clara County on the Advisory Council are Dale H. Hutchinson, Assistant to the Director, Stanford Research Institute; William J. Nicholson, President, William W. Nicholson Co. Inc., General Contractors; Ralph W. Shafer, General Manager, Accent International Division, International Minerals and Chemicals; and Dr. Turner, Health Officer and Air Pollution Control Officer, Santa Clara County.



SUPERINTENDENT . . . Robert A. Miller, superintendent of Southern Pacific's line over the High Sierras, has been named to succeed James J. Jordan who retires July 31 as head of the railroad's Coast Division. Virgil E. Anderson, now superintendent of the Salt Lake Division, will replace Miller at Sacramento, headquarters of the Sacramento Division.

Competition by Drivers Causes Many Accidents

Eliminate competition on our streets and highways and you will reduce our traffic toll considerably says the California Highway Patrol.

"Grabbing the right-of-way, racing to get ahead of the other fellow and cutting in and out of traffic are all competitive but unsportsmanlike actions," declared Ross R. McDonald, Deputy Commissioner of the Patrol. "These are hazardous, illegal, accident causing maneuvers accounting for a large share of our annual traffic accident toll.

Cooperation and obedience to the rules, plus a recognition of hazards is necessary for safety in traffic," the Deputy continued. "Without these elements your chance of survival in todays traffic is rather slim. Make safety your companion in traffic by obeying all the rules and helping the other fellow drive safely too."

Festivities in State for August Open with Bang

August festivities begin with a bang, reports the California Chamber of Commerce,—and with documented proof! Just visit the muzzle loading gun match at the Fall River Valley Centennial up in Shasta County or the re-enactment of an historically famous pistor duel at the San Mateo County Fair's "Cavalcade,"—you'll hear for yourself.

Other interesting (though slightly quieter) celebrations include the Mother Lode Fair held at Sonora, in the heart of the Gold Rush country, the grand finale barbecue of the Shaver-Huntington Lake Trout Derby, the Fiesta la Ballona which honors descendents of Spanish pioneer families, and Hermosa Beach's "Holidays" where all kinds of swimming and sailing events take the spotlight.

The critical period in fire danger is rapidly approaching, according to the rangers of our national forests. During this season, some areas of the forests are closed to smoking or open camp fires. Obey the rules strictly. Always crush out the last sparks of matches and butts; obtain a campfire permit before building any fire oueside an established dwelling; never leave the fire unattended; when you've extinguished it, be sure it is DEAD OUT before leaving.

California's most notable valley oak tree is the Sir Joseph Hooker oak in Bidwell Park at Chico.

SAN TOMAS SUMMARY

Isabell Pechin
FR 8-8040

The Wedgewood Church is adding two Sunday School rooms. The pastor, Rev. Lester Craft, and his parishioners have been working on them all summer, and they are almost ready for use.

The Greer clan is going on a ten day "rockhound" expedition into Nevada, and the Sierra Nevadas generally. The Lester Greers, the Howard Greers, and their children Kathryn, Donna and Barbara expect to return with many beautiful specimens.

About a dozen teen aged girls left Monday for the Baptist Associational Camp near the Mystery Spot, Santa Cruz. Girls from the 17 churches in the Association, which covers the territory from Gilroy to Belmont, will also be at camp.

The camp is sponsored by the Missionary Society of the church. Their missionary from Nigeria will be there to instruct the girls in missionary work. There will also be classes in Bible study, and a well rounded program of crafts and activities. Geil Davis from San Tomas will instruct in music, and Mrs. J. R. Warren will also be on the teaching staff. Each church in the association will contribute instructors and sponsors, as well as teen-agers.

Rev. J. R. Warren returned to his pulpit in the San Tomas Baptist Church Sunday, following a ten day vacation at Pillsbury Lake, Mendocino County.

Rev. and Mrs. Warren and the children, together with Geil Davis enjoyed fishing and camping in the redwoods.

Rev. Leland Dye occupied the San Tomas pulpit in the absence of Rev. Warren.

The Flood Control Hearing on August 6 will be crowded with voters who are opposed to the bond issue, according to Donald K. Currlin. Tax payers who have not been directly affected by the floods will need to be convinced that it is in the interest of the entire county to control flood waters.

Currlin, manager of the flood control district, says that plans for the San Tomas creek are chiefly concerned with deepening and straightening the channel. In some places where there is excessixe erosion, concrete bulkheads will be installed. In some places, the entire creek will be lined with concrete, for a short distance.

Thirty-nine per cent of Western coffee drinkers take it "straight" from the pot.
